SMART HOMES

Enjoy the comfort, convenience
and peace of mind you
need and deserve.

YOUR FUTURE HOME IS SMART.

WELCOME TO A SAFER AND EASIER LIFESTYLE.

Manage your home's functions with your Suite Wall Pad or your smartphone. myCommand by Brookfield Residential brings the latest technology for you to enjoy your home when you're there, and know that everything is safe when you're away.

DOESN'T MATTER WHERE YOU ARE, YOU'RE HOME

Set the security alarm, adjust temperature, monitor your visitors with live, one-way video from the lobby or parking garage and provide access to your suite. You can also get building updates, book amenities and access suite functions in-home, or conveniently on the app.

COMPLETE COMMAND

Access all of your **smart** home functions from one smart touch screen device. Your **Suite Wall Pad** is the control centre of myCommand solution.

TEMPERATURE CONTROL

Heat and AC are integrated into the system for **Perfect Temperature Control**. Precision and convenience without leaving the couch.

EASIER ENTRY FOR YOU AND YOURS

Access your suite without a key. Allow temporary access for house cleaners, dog walkers, tradespeople, family and friends with the **Digital Door Lock**.

REAL-TIME NOTIFICATIONS

On both your Suite Wall Pad and your smartphone, you can receive notifications like **package deliveries** and **community updates**.

GET ORGANIZED EASILY

Configure your home preferences, book building amenities, grant lobby and suite access to guests, interact with your community and more using the **mobile app**.

SAFETY COMES FIRST

Safety starts even before anyone enters into the building. The **Lobby Phone** grants visitors access to the building entrance, and features a camera, a directory of other residents and a direct line to the concierge.

SAFETY ALSO COMES SECOND

Once inside the building, the integrated **security system** is equipped with security cameras throughout entrances and common areas, and motion sensors on the ground floor and terrace suites. Camera views are accessible for residents through the Suite Wall Pad and mobile app, while the front desk has a complete security system at hand.

AT LAST, A HOME THAT LOOKS AFTER YOU.

ACCESS, CONTROL AND CONVENIENCE LIKE NEVER BEFORE.

Disclaimer: myCommand Smart Home products are offered in partnership with SmartONE Solutions Inc. Some features subject to availability and compatibility of other service providers. Additional products and features may be added or removed, subject to additional fees. See Schedule B1 for list of full home inclusions. Terms and conditions apply.
