Building with **VISION**

DIGREEN HOMES IS A 3RD GENERATION BUILDER, WITH AN ACTIVE ROSTER OF HOMES AND COMMUNITIES ALL OVER SOUTHERN ONTARIO: MARKHAM, RICHMOND HILL, VAUGHAN, OAKVILLE, BRAMPTON AND CALEDON.

DiGreen Homes has expertise in both residential and commercial construction. We have played a significant role in the development of thousands of homes and numerous commercial properties. DiGreen built our foundation as land developers, collaborating with the industry's finest builders. Today, we have wide experience across the full range of real estate construction and development, from new home communities of detached, semi-detached, townhomes and urban towns, to successful retail and commercial projects.

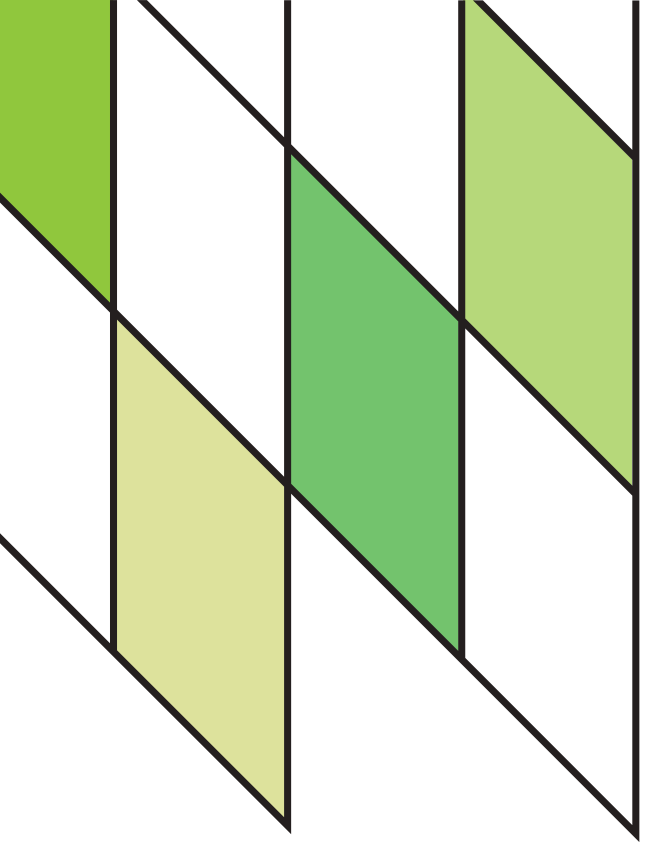

Our Values

At DiGreen Homes, our core values are based on our commitment to build a home or commercial property that everyone is proud of. DiGreen Homes will do everything we can to ensure that prospective clients become long-term, happy customers. Our greatest compliment is a repeat customer. DiGreen has been at the forefront of environmentally-conscious development, understanding and responding to the delicate balance required to build functional, vibrant communities within healthy and sustainable surroundings.

Through our team's innovative, thoughtful leadership and ongoing collaboration with various levels of municipal and federal government, we are proud to have developed desirable, sought-after communities across the Greater Toronto area.
