AGREEMENT OF PURCHASE AND SALE

Schedule "H" Health and Safety Policy

ACKNOWLEDGEMENT

While we realize that it is only natural to want to visit the site from time to time to check on the progress of your new home during construction, we must, nevertheless, advise you that this is against the laws of Ontario.

The Occupational Health and Safety Act requires that all visitors to a home under construction, even during the finishing stages, **MUST** be equipped with Hard Hats AND Safety Boots AND provide proof of current coverage with the Workmen's Compensation Board or Long Term Disability Insurance that will satisfy the Board.

The law makes no exceptions so neither can we!

Except in the circumstances where all of the above conditions have been satisfied and an appointment made with the Site Supervisor, we must therefore respectfully insist that you do not venture onto the Site beyond the street curb-line.

Thank you in advance for your cooperation.

We hereby agree to abide by the terms and conditions as stipulated herein and accordingly acknowledge receipt of same.

AGREEMENT OF PURCHASE AND SALE

Schedule "L" Terms and Conditions

CONSTRUCTION

1. The Purchaser shall make all necessary choices, including selections of colours and materials, from the Vendor's samples, in writing within the earlier of thirty (30) days after the removal of all conditions or acceptance of this Agreement by the Vendor or within forty-eight (48) hours after the Vendor's request and failing that making of such choices the Vendor shall be entitled to make such selections on behalf of the Purchaser. No changes will be permitted in colour or materials chosen by the Purchaser once selections have been finalized. The Purchaser shall be deemed to have accepted any of such items which may have been selected, completed or installed in the dwelling as of the date of execution of this Agreement;
2. The Purchaser understands and agrees that colour variances sometimes occur in the manufacture of finishing items and the Purchaser shall accept such colour variations resulting from the manufacturing process without any right of abatement of the purchase price and in full satisfaction of the Vendor's obligations herein;
3. The Purchaser acknowledges that engineering data in respect of the municipally-approved final grading requirements for the Real Property may not be completed or available to the Vendor at the time of executing this Agreement. In the event that this Agreement specifies that the Dwelling is to be built as a walk-out or look-out basement and it is not possible to construct the Dwelling in such a manner, the Purchaser shall be granted a credit on closing in the amount of \$17,200.00 (including HST) in the case of a walk-out basement and \$6,200.00 – \$11,200.00 (including HST) in the case of a look-out basement, dependent on the number of risers of the lookout condition. In the event that the final grading requirements cause the Dwelling to be built as a walk-out or look-out basement, and the charge for a walk-out or look-out basement was not included in the purchase price at the time of executing this agreement, the Purchaser shall be charged \$17,200.00 (including HST) for a walk-out basement and \$6,200.00 – \$11,200.00 (including HST) for a look-out basement, dependent on the number of risers of the lookout condition. This event shall in no way affect the validity or enforceability of this Agreement and all other terms and conditions shall remain in force;
4. Acceptance of construction, siting and grading by the Vendor shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to make minor or necessary changes in plans, siting and specifications, provided there is no objection by the City. There may be drywall boxes, bulkheads, or channels that are not shown on the Plans to conceal heating ductwork, plumbing, or beams. Any dimensions and details shown on the Plans are approximate only and Purchaser is not purchasing the dwelling on a per square foot basis and accordingly the Purchaser shall not be entitled to any abatement or refund of the Purchase Price should the precise area of the dwelling be less than shown on the Plans. The Vendor shall have the right to substitute materials for those described in the plans and/or specifications, provided that the quality is equal or better. The Purchaser shall have no claim against the Vendor regarding any such changes, variances, or modifications, nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations and agrees to complete the sale notwithstanding any such modifications;
5. The Purchaser acknowledges that there may be a catch basin abutting, fronting, or at the rear of the Property and agrees not to make any objections in regard to its location;
6. The Purchaser acknowledges that as a result of a decision of a governmental authority, or for any other reason, the lot size, area, frontage or depth, location of the Property, or any other dimensions of the Property, may change or vary from what is specified in this agreement or in any brochures, drawings, plans, advertisements or other marketing materials, or from any statement made by the Vendor's representatives. The Purchaser agrees to accept such change or variation without any abatement of the Purchase Price and/or holdback of monies, and the Purchaser releases and discharges the Vendor from any liability arising therefrom;
7. In the event the Purchaser or any representative acting on behalf of the Purchaser makes any changes to the dwelling prior to taking possession, the Vendor shall, forthwith, remove such work and the Purchaser shall pay all costs the Vendor incurs associated with the installation and removal of the unauthorized changes, plus applicable HST, with such amounts being added to the statement of adjustments without further notice;

ASSIGNMENT

8. The purchaser covenants not to sell, list for sale, advertise for sale, entertain any offers to sell, nor assign the Purchaser's interest under this Agreement or in the Property, nor directly or indirectly permit any third party to list or advertise for sale the Property, at any time, on or before Closing.
9. The Purchaser shall not be entitled to assign this Agreement or any portion thereof without the prior written consent of the Vendor, which consent may be arbitrarily withheld. Unless the Vendor has previously consented to any assignment by the Purchaser in accordance with this Paragraph, the Vendor will not be required to comply with any Direction delivered to it on or before Closing purporting to direct the Vendor to convey the Property to any person, corporation or other entity other than the Purchaser as described in this Agreement. Any offering for sale, assignment, or attempted assignment including listing or advertising for sale, of this Agreement or the Property shall constitute a breach of this covenant.
10. The Purchaser acknowledges and agrees that the Vendor and each of its successors and assigns shall be entitled to assign this Agreement at any time, and from time to time, without the consent of or notice to the Purchaser, and in the event of any such assignment the Vendor and/or its successors and assigns executing such assignment shall be released from all obligations under this Agreement.

Final Tentative Occupancy Date
or
the ___ day of _____, 20___.
Firm Occupancy Date

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Occupancy Dates and the Firm Occupancy Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the Building subject to all prescribed requirements, to provide Occupancy of the home without delay, and, to register without delay the declaration and description in respect of the Building.
- (b) **First Tentative Occupancy Date:** The Vendor shall identify the First Tentative Occupancy Date in the Statement of Critical Dates attached to this Addendum at the time the Purchase Agreement is signed.
- (c) **Subsequent Tentative Occupancy Dates:** The Vendor may, in accordance with this section, extend the First Tentative Occupancy Date on one or more occasions, by setting a subsequent Tentative Occupancy Date. The Vendor shall give written notice of any subsequent Tentative Occupancy Date to the Purchaser at least 90 days before the existing Tentative Occupancy Date (which in this Addendum may include the First Tentative Occupancy Date), or else the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. A subsequent Tentative Occupancy Date can be any Business Day on or before the Outside Occupancy Date.
- (d) **Final Tentative Occupancy Date:** By no later than 30 days after the Roof Assembly Date, the Vendor shall by written notice to the Purchaser set either (i) a Final Tentative Occupancy Date; or (ii) a Firm Occupancy Date. If the Vendor does not do so, the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. The Vendor shall give written notice of the Final Tentative Occupancy Date or Firm Occupancy Date, as the case may be, to the Purchaser at least 90 days before the existing Tentative Occupancy Date, or else the existing Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. The Final Tentative Occupancy Date or Firm Occupancy Date, as the case may be, can be any Business Day on or before the Outside Occupancy Date. For new Purchase Agreements signed after the Roof Assembly Date, the Vendor shall insert in the Statement of Critical Dates of the Purchase Agreement either: a Final Tentative Occupancy Date; or a Firm Occupancy Date
- (e) **Firm Occupancy Date:** If the Vendor has set a Final Tentative Occupancy Date but cannot provide Occupancy by the Final Tentative Occupancy Date then the Vendor shall set a Firm Occupancy Date that is no later than 120 days after the Final Tentative Occupancy Date. The Vendor shall give written notice of the Firm Occupancy Date to the Purchaser at least 90 days before the Final Tentative Occupancy Date, or else the Final Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. The Firm Occupancy Date can be any Business Day on or before the Outside Occupancy Date.
- (f) **Notice:** Any notice given by the Vendor under paragraph (c), (d) or (e) must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Occupancy Date – Three Ways

- (a) The Firm Occupancy Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Occupancy Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Occupancy Date is set in accordance with section 4 or 5, then the new date is the "Firm Occupancy Date" for all purposes in this Addendum.

3. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 7.
- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event at least 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 7(c). If notice of a new Delayed Occupancy Date is not given by the Vendor before the Firm Occupancy Date, then the new Delayed Occupancy Date shall be deemed to be the date which is 90 days after the Firm Occupancy Date.
- (d) After the Delayed Occupancy Date is set, if the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical Dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser. For greater certainty, this Addendum does not restrict any extensions of the Closing date (i.e., title transfer date) where Occupancy of the home has already been given to the Purchaser.

Condominium Form (Tentative Occupancy Date)

- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
- (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed occupancy compensation payable; and
 - (iv) if the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.

If the Purchaser for his or her own purposes requests a change of the Firm Occupancy Date or the Delayed Occupancy Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 7 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Occupancy Date, and will be deemed to be 90 days before the First Tentative Occupancy Date if no date is specified or if the date specified is later than 90 days before the First Tentative Occupancy Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (k) below.

- (i) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act* and, if applicable, registration of the declaration and description for the Building under the *Condominium Act, 1998*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (j) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (k) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the Occupancy Date or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed occupancy compensation is payable only if: (i) Occupancy and Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 3(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Occupancy or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed occupancy compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.
- (g) If delayed occupancy compensation is payable, the Vendor shall either pay the compensation as soon as the proper amount is determined; or pay such amount with interest (at the prescribed rate as specified in subsection 19(1) of O.Reg. 48/01 of the *Condominium Act, 1998*), from the Occupancy Date to the date of Closing, such amount to be an adjustment to the balance due on the day of Closing.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Occupancy

- (a) On or before the Occupancy Date, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and Occupancy is permitted under the Building Code.

Condominium Form (Tentative Occupancy Date)

- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for Occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):
 - (i) the Purchaser shall not be entitled to delayed occupancy compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for Occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the Occupancy Date.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 3, and delayed occupancy compensation shall be payable in accordance with section 7. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period, then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in providing Occupancy alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies shall be calculated in accordance with the *Condominium Act, 1998*.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.
