In addition the Purchaser shall pay the Vendor an administrative fee as determined by the Vendor, if the Purchaser wishes to make changes or modifications to the standard floor plan for the Dwelling from the standard floor plan layout as attached to this agreement, provided the Vendor agrees to such changes and without the Vendor being obliged to agree to such changes;

HARMONIZED SALES TAXES

4. (a) The Purchase Price set out above includes the HST net of Rebates as assigned, transferred, credited and/or paid to the Vendor, and the Purchase Price has been established on the basis that the Purchaser will qualify for the full amount of the Rebates, and that the Rebates will be assigned or an equivalent amount transferred or credited to the Vendor, in addition to such Purchase Price. Purchasers are advised that the Purchase Price offered to the Purchaser includes the HST net of Rebates and has been calculated on the basis that the Purchaser shall qualify for and assign to, transfer, credit, pay and/or reimburse the Vendor the maximum Rebate based on the Purchase Price set out herein as adjusted, save and except as hereinafter set out to the contrary. The Vendor shall credit the Purchaser on Closing Date with all Rebates to which the Purchaser is entitled, subject to the Purchaser assigning and/or transferring or crediting the Rebates (or an equivalent amount) to the Vendor and/or reimbursing the Vendor for such Rebates as hereinafter set out

subject to the assignment/transfer/crediting of the Rebates to the Vendor. In the event that the Vendor is a nominee for a joint venture and/or a limited partnership or is the general partner of a limited partnership then the Vendor shall have the right to require that the Purchaser assign the Rebate to the joint venture or limited partnership as the Vendor may direct. In the event that there is any legislation of any Governmental Authority that does not permit the assignment of the Rebate then the Purchaser shall transfer, credit and/or pay an equivalent amount of the Rebate to the Vendor on Closing (or thereafter as applicable) and the Vendor shall be entitled to vendor's lien for such amount and the Purchaser acknowledges that this amount form part of the consideration due to the Vendor.

- (b) If the rate of HST is increased or decreased or the percentage of calculation of the Rebate is amended/reduced, or the rate or thresholds in respect of the HST exemptions or rebate entitlement are changed between the date of this Agreement and the Closing Date, with the result that the net amount of the HST to be remitted by the Vendor increases, then the Purchaser shall pay the Vendor an amount on the Closing Date equal to such additional HST payable by the Vendor. A statutory declaration of any officer of the Vendor as to the alteration, increase amendment, etc., as hereinbefore set out shall be determinative in this regard.
- (c) If the rate of the HST is reduced between the date of this Agreement and the Closing Date but such reduction is for the benefit of the Purchaser and not the Vendor (the "HST Credit"), then the Purchaser hereby assigns all right, benefit and entitlement to such HST Credit and shall execute any and all forms, documents, assignments, etc., as required by the Vendor in this regard in the Vendor's absolute discretion. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the HST Credit (and concomitantly releases all of the Purchaser's claims to or interests in the HST Credit, to and in favour of the Vendor), and hereby irrevocably authorizes and directs the CRA to pay or credit the HST Credit directly to the Vendor.

5. The Purchaser hereby irrevocably assigns and/or transfers and/or credits to the Vendor or as it may direct all of the Purchaser's rights, interests and entitlements to the Rebate or agrees to pay the Vendor an equivalent amount (and concomitantly releases all of the Purchaser's claims to or interests in the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor or as it may further direct and the Purchaser shall execute all Rebate forms provided by the Vendor in this regard regardless whether such forms indicate the Vendor or any other party as the recipient of the assignment and/or credit for the Rebate. In the event that there are separate assignments and rebates of the provincial and/or federal portion of the HST with respect to this transaction, the Purchaser shall execute and deliver all applications, assignments, declarations, documents and/or other assurances (in the form required by the Vendor or the Government of Canada and/or the Province of Ontario) to the Vendor required to establish and assign all of their right, title and interest in the Rebates or any portion thereof. The Purchaser covenants and agrees that the Vendor shall have the right in its complete discretion to determine whether the Purchaser qualifies for any Rebates and the Vendor's determination of such entitlement shall be final and binding. The Purchaser hereby covenants, warrants and/or represents to the Vendor (which covenants, warranties and representations shall survive the completion of this Agreement), with respect to this transaction, that:

- (a) the Purchaser is a natural person who is acquiring the Property with the intention of being the sole beneficial owner thereof on the Closing Date (and not as the agent or trustee for or on behalf of any other party or parties),
- (b) upon the Closing Date and continuing up to and including the Closing Date, and continuing thereafter, the Purchaser or one or more of the Purchaser's blood relations, as determined in accordance with the Excise Tax Act (Canada) and Income Tax Act (Canada), shall personally occupy the Property as their primary place of residence, for such period of time as shall be required by the applicable legislation in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Property;
- (c) they have not claimed (and hereby covenants not to hereafter claim), for the Purchaser's own account, any part of the Rebate and/or HST credit in connection with the Purchaser's acquisition of the Property, save as otherwise hereinafter expressly provided or contemplated or permitted; and
- (d) they qualify for the full amount of the Rebate possible with respect to this purchase transaction.

6. The Purchaser acknowledges and agrees that:

- (a) the total consideration for the calculation of HST includes not only the Purchase Price but all other taxable supplies charged to the Purchaser pursuant to this Agreement or otherwise including without limitation, Extras, upgrades, applicable adjustments and/or reimbursements charged by the Vendor under this Agreement such as Tarion Enrolment fees, connections fees, as well as any charge for development charge levies and education levies or other levies and charges, etc. (with such additional amounts hereinafter referred to as the "Additional Charges"), the costs of which the Vendor may charge to the Purchaser. The Additional Charges and applicable HST shall constitute part of the taxable supply with respect to the said transaction and shall be added to the Purchase Price to determine the total consideration upon which HST and the Rebate are calculated;
- (b) any Extras and/or Additional Charges are part of the single supply of the home and for HST purposes constitutes a change in the price being paid for the Dwelling and for the purposes of HST shall be deemed to form part of the Purchase Price; and

- (c) the HST payable in respect of adjustments and/or Extras and/or upgrades shall be at the rate of HST otherwise applicable to this Agreement.
7. If it is determined by the Vendor that the Purchaser is not entitled to the maximum permitted Rebate or any portion thereof (including any portion of same the Purchaser becomes disentitled to as a result of an increase in the total consideration payable hereunder as a result of any Additional Charges, Extras, etc., purchased or payable by the Purchaser), the Purchaser agrees to pay to the Vendor, in addition to any other amounts stipulated in this Agreement, the amount of the Rebate to which the Purchaser becomes disentitled, (which shall be paid on the Closing Date as a requirement of closing), and until so paid, such amount shall form a charge/vendor's lien against the Property, which charge shall be recoverable by the Vendor in the same manner as a mortgage in default. The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including without limitation, legal fees and disbursements, and an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the maximum permitted Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor) and such amounts shall be deemed to comprise a vendor's lien registerable on title to the Property. If the Vendor determines that the Purchaser is not entitled to the Rebate at any time prior to the Closing Date then it shall be entitled to demand and the Purchaser shall pay, an additional deposit equal to an amount or amounts not exceeding twenty percent (20%) of the Purchase Price as determined by the Vendor in its discretion.
8. The Purchaser covenants and agrees that in the event of any amendment, revival, novation, re-instatement of this Agreement, acquisition of Extras or upgrades, or any other action of the Purchaser results in the Rebate or HST Credit not being assignable, in whole or in part, then the Purchaser shall pay to the Vendor on the Closing Date the amount of the Rebate or HST Credit which the Vendor does not receive or become entitled to.
9. The Purchaser covenants and agrees that any breach by it of the provisions as set out in these foregoing sections dealing with HST shall be deemed to be a Material Default by the Purchaser and the Vendor, in addition to (and without prejudice to) any other rights or remedies available to the Vendor (at law or in equity) may, at its sole option, unilaterally suspend all of the Purchaser's rights, benefits and privileges contained herein (including without limitation, the right to make colour and finish selections with respect to the Property as hereinbefore provided or contemplated), and/or may unilaterally declare this Agreement to be terminated and of no further force or effect, whereupon all deposit monies theretofore paid, together with all monies paid for any extras or changes to the Property, may be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at contract, law or in equity. The Purchaser acknowledges and agrees that the Vendor shall be entitled to maintain and register a vendor's lien with respect to the Rebate, in the event that the CRA refuses to credit the Vendor with the Rebate at any time either before or after the completion of this transaction and/or if, at any time before or after closing, Vendor determines that the Purchaser is or was not entitled to the Rebate

SUBDIVISION DRAFT PLAN APPROVAL

10. The Purchaser acknowledges and agrees that if the Property is part of an existing or proposed Subdivision (the "**Subdivision**") then it may be subject to without limitation, conditions of draft approval (hereinafter "**Draft Conditions**"), one or more Development Agreements, site plan agreements and/or subdivision agreements between the registrant developer of the Subdivision (the "**Subdivider**") and Governmental Authorities and/or the Municipality, notice of which is hereby expressly acknowledged by the Purchaser, and pursuant to which the Subdivider or the Municipality is responsible for constructing and installing all services within the Subdivision subject to any objection by the Purchaser to readjust or reimburse for as set out herein, which services may include paved roads, sidewalks, curbs, storm and sanitary sewers, retaining and/or architectural walls, street lights, parks, conservation areas, playgrounds, etc. and if the Subdivider is other than the Vendor, the Vendor shall not be liable in any way to the Purchaser for the manner in which said services are installed or constructed. The Purchaser acknowledges and agrees that it shall be their sole responsibility to review without limitation, the Draft Conditions, any Development Agreements, cost-sharing agreements, site plan agreements or subdivision agreements as hereinbefore described, prior to closing, which the Purchaser hereby agrees to take title subject to. The Vendor shall not be obligated to obtain or register a full or partial release of the Property from or in respect of such agreements, nor shall the Vendor be obliged to have said agreements deleted from title, and the Purchaser shall satisfy themselves as to compliance therewith.

ACKNOWLEDGMENT REGARDING WARNING CLAUSES

11. The Purchaser acknowledges that the Draft Conditions and existing and/or future Development Agreements between the Vendor and the Municipality may require the Vendor to provide the Purchaser with certain notices or warnings including, without limiting the generality of the foregoing, notices or warnings regarding: the use of the Property, Lands and/or Subdivision, environmental issues, noise levels from adjacent roadways or otherwise, maintenance of municipal fencing, school transportation and related educational issues, installation of pools, aesthetic restrictions, care of landscaping on the Property and the status of services and works in the Subdivision/development. The Purchaser acknowledges and agrees that the Vendor may be unable, at this time, to provide the Purchaser with all such notices and warnings and same shall be provided in the future and shall be deemed to form part of this Agreement. The Purchaser shall execute all documents, amendments, assurances as required by the Vendor in this regard and such further warnings or acknowledgments shall not affect nor diminish the Purchaser's obligation to complete their obligations under this Agreement. The Purchaser acknowledges and agrees that the Vendor and/or Subdivider may be unable to sell the Property to the Purchaser or obtain the release of securities unless the Purchaser executes such acknowledgments, amendments or assurances, etc., as aforesaid. In the event that the Purchaser fails to execute such acknowledgments, amendments and/or assurances, etc., forthwith upon being requested to do so, such failure or refusal shall be considered a

fundamental breach of this Agreement by the Purchaser and the Vendor shall be entitled to its remedies hereunder, including, at its sole option, to terminate this Agreement and upon such termination, all monies paid to the Vendor hereunder shall be forfeited to the Vendor as liquidated damages, not as a penalty, without prejudice to the exercise of any other remedy available to the Vendor, and this Agreement shall be at an end, and the Purchaser shall not have any further rights hereunder. This covenant shall specifically survive closing and the Purchaser shall execute such acknowledgments or documents as the Vendor may require in this regard until the Subdivision and/or Property is assumed or 20 years, whichever is earlier and if the Vendor is unable to recover cash or securities in respect of the Subdivision and/or Property due to the Purchaser's default in this regard then the Vendor shall have a vendor's lien for such damages.

COMPLETION OF GRADING AND MUNICIPAL SERVICES

12. (a) The Vendor, its successors, assigns and all persons authorized by the Vendor, including, without limitation any service personnel, contractors of the Vendor, etc., as well as Municipality or any other governmental authorities having jurisdiction (the "**Permitted Parties**") , together with all required equipment and vehicles, shall have a licence and temporary easement permitting free access to the Dwelling and Property at all reasonable hours in order to undertake the following:

- (i) make inspections and do such work or repairs as the Permitted Parties may deem necessary, including any work required pursuant to any Development Agreements
- (ii) the completion or correction of sodding and grading;
- (iii) the installation, maintenance and/or repair of any municipal services or utility services; and/or
- (iv) for the purpose of effecting any remedial and/or corrective measures to the Property as may be required by the Municipality, any utility, or any other governmental authority or bonding company, or other relevant authority having jurisdiction in this regard.

The exercise of this licence and right of easement shall not be considered trespass. This licence and easement in favour of the Permitted Parties as set out above shall have a term of eight (8) years from the date of closing.

(b) The Purchaser hereby acknowledges and agrees that the final grading of the Property may not be completed, nor a lot grading certificate in respect of same issued by the closing date. The Purchaser agrees to nevertheless complete this transaction on the closing date, upon the Vendor's undertaking hereinafter set out, to complete the grading of the Property in accordance with municipal requirements as soon as reasonably possible after the closing date, weather and soil conditions and the availability of labor, equipment and materials permitting. The Vendor, by this Agreement, hereby undertakes to complete (if not already completed), the grading of the Property in accordance with the provisions of the preceding sentence, and the Purchaser shall not request or call for any further documentation or assurances pertaining to this undertaking in respect of grading, from the Vendor, the Subdivider or the Vendor's solicitors. The Purchaser acknowledges and agrees that the engineering data and/or final approved grade in respect of the Property may not be finalized as of the date of execution of this Agreement, and accordingly the Vendor may be required to construct the Dwelling with a walk-out basement and/or deck or in the alternative may not be able to provide a walk-out basement and/or deck if specified in this Agreement, but the Purchaser shall be nonetheless obliged to complete this Agreement. The Purchaser covenants and agrees that they will not alter the slope or grading of the Property contrary to the Municipally approved drainage pattern and, provided that lot grading has been completed in accordance with the Municipally approved grading control plan, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto. In the event that any additions and/or improvements are made to or installed upon the Property or abutting road allowances by the Purchaser and/or their agents or contractors after closing, including without limitation porches, decks, pools, spas, patios, plants, shrubs, trees, landscaping, paved driveways, walkways, fences, sheds and/or other structures; and any of the foregoing alter or affect the grading and/or drainage patterns of the Property, street sight lines, any easement granted or contemplated being granted to third parties or the Vendor and/or affects the final inspection and/or assumption of the Subdivision and/or Lands by the Municipality and/or the return or reduction of any security to the Subdivider or Vendor, then the Purchaser agrees to remove such installations, alterations, additions and/or improvements at their own expense, forthwith upon the Vendor's request, failing which the Vendor may remove same at the Purchaser's sole expense. The Vendor shall be permitted to register and maintain a vendor's lien for such costs against the Property. The undersigned hereby acknowledges that complete engineering data in respect of the final grading of the Property as approved by the Municipality may not, as yet, be complete, and accordingly, the Purchaser agrees to accept the Property subject to any grading requirements or other requirements imposed by the Municipality.

(c) Notwithstanding the foregoing to the contrary, the Vendor or anyone delegated by it shall have the right to enter upon the Property during the rectification period as set out above in order to, without limitation, change or rectify grades or drainage patterns, and/or carry out any sodding and/or restoration and/or re-grading work required by the Development Agreements and/or Governmental Authorities and may remove any fences, installations, landscaping, obstructions or signs situate on the Property, without liability of any kind, if the foregoing provisions of this paragraph are not observed by the Purchaser. The Purchaser acknowledges that the Municipality, and any governmental authorities having jurisdiction, shall have the right to enter upon the Property for such purpose in the event the Vendor and/or Subdivider fails to satisfy its obligations in respect of the foregoing provisions of this paragraph. The Purchaser further acknowledges that the transfer of title to the Property may contain a right of re-entry in favor of the Vendor, and/or the Municipality, and/or any other governmental authority having jurisdiction as aforesaid.

- (d) Title to the Property may be subject to Permitted Encumbrances (as hereinafter defined) as well as restrictions, and/or covenants may be required to be given by the Purchaser on closing, preventing any changes being subsequently made to any exterior colour, materials, windows, treatment and/or cladding material of any exterior component of the Dwelling for any period of time after closing and as well as preventing the alteration or removal of any trees, vegetation, fencing, berm, retaining wall and/or other exterior element and the parties acknowledge that such items may be controlled by the Vendor, Subdivider, third party and/or any other governmental authority having jurisdiction for any period of time after closing. The Development Agreements and/or Permitted Encumbrances may also contain important warning clauses affecting the use and enjoyment of the Property and the Purchaser is strongly advised to review same. The Purchaser covenants and agrees to abide by and comply with the terms and conditions of the Development Agreements and/or Permitted Encumbrances, architectural controls, restrictions and covenants and in furtherance of this covenant, agrees to indemnify and save the Vendor and Subdivider harmless from and against any losses and all damages, suits costs, expenses or liabilities incurred by the Vendor and/or Subdivider as a result of the Purchaser not complying with or defaulting under (in any way and with negligence not being required) with the terms and provisions of the such Development Agreements and/or Permitted Encumbrances. In addition, the Purchaser covenants and agrees not to dump any materials, sod or other debris, garbage and/or landscaping or construction materials upon any other lands owned by the Vendor, Subdivider and/or the Municipality and the Purchaser shall reimburse the Vendor on closing or thereafter, for the costs of removing such materials and dumping same, including *inter alia*, haulage costs, labour costs and/or any other costs, expenses or fines incurred by the Vendor or Subdivider as a result of the Purchaser breaching this covenant, and the Vendor shall be entitled to register and maintain a vendor's lien for such costs.
- (e) The Purchaser acknowledges and agrees that the filing of the consulting engineers' certificate(s) with the Municipality, or the issuance by the Municipality of an occupancy certificate or such other confirmation that the Property may be occupied shall, subject to the provisions of the Addendum, constitute complete and absolute acceptance by the Purchaser of all construction matters, and the quality and sufficiency thereof including, without limitation, all mechanical, structural and architectural matters. Acceptance of construction and siting of the Dwelling and/or grading of the Lot by the Municipality or governmental authorities shall conclusively constitute acceptance by the Purchaser. The Purchaser acknowledges that the road allowance or private road fronting or flanking the Property may have one or more postal boxes, CATV boxes, telephone boxes, fire hydrants and/or hydro-electric transformers, hydro poles, sidewalks, landscape furniture, etc., as required by the Municipality and the Purchaser agrees to accept same where located, notwithstanding that same may not be shown on any sales material, site plan, community property plan or brochures, and the Purchaser covenants and agrees that he, she, they shall not be entitled to any abatement to the Purchase Price or any other compensation resulting from the placement of the postal boxes, CATV boxes, telephone boxes, fire hydrants and/or hydro-electric transformers, hydro poles, sidewalks, landscape furniture, etc.

MAINTENANCE OF SOD AND LANDSCAPING

13. The Purchaser shall be solely responsible for the watering and general maintenance of the sod, tree, shrubs any other landscape plantings placed on the Property from and after the closing date, or from the date that the sod is laid or the trees or shrubs or any other landscape plantings are planted, whichever date is later, and the Vendor and/or Subdivider shall have no obligation in that regard. In the event that the Vendor is required to water and/or replace laid sod, trees, shrubs or any other landscape plantings as a result of the Purchaser's default of the aforesaid obligation, the Purchaser shall be required to pay the Vendor's reasonable costs of doing so, which amount shall, until paid, bear interest at the rate equal to 18% per annum, calculated daily, not in advance.

DRIVEWAY PAVING

14. If a paved driveway is included in this Agreement, then the Purchaser acknowledges that settlement of the driveway will occur and, as a result, the driveway may not be paved until after the Closing Date as the case may be. The Vendor covenants and agrees to pave the driveway of the Property within thirty (30) months after the Closing Date. The Vendor will notify the Purchaser prior to the date on which paving is to be completed and the Purchaser agrees to ensure that the driveway is free and clear of all vehicles and other obstructions to facilitate completion of such work. After paving has been completed, the Purchaser acknowledges that settlement of the driveway may still occur. The Vendor shall have no obligation to complete any further work on the driveway after paving has been completed notwithstanding further settlement. The Purchaser acknowledges and agrees that the Vendor shall not be required to give a separate undertaking to the Purchaser on the Closing Date to complete the driveway and the Purchaser shall not be entitled to a holdback of any amount due and payable to the Vendor on the Closing Date as security for the Vendor's obligations in this regard. The Purchaser agrees that they will not alter the width of the driveway, change any curb cut or remove any paving or install substitute paving or materials until such time as the Subdivision has been assumed by the Municipality and all securities under any Development Agreement have been returned to the Vendor.

LANDSCAPING, RETAINING WALLS, FENCES, BERMS AND STRUCTURES OR FEATURES AND LOT SIZE

15. As of the date of this Agreement, the final grading plan relating to the Land may not have been completed by the Vendor or approved by the Governmental Authority or approving authority having jurisdiction. Consequently, the Purchaser acknowledges and agrees that the grading of the Land may require the use of retaining walls on the Land or on adjoining properties. The Purchaser acknowledges and agrees that the Vendor shall have the right to construct such retaining walls without notice to the Purchaser and without compensation or abatement to the Purchase Price. In furtherance thereof, the Purchaser agrees that in the event that any retaining wall, fence, berm and/or similar or other structure are built on the Property, the Purchaser shall be solely responsible for the repair and maintenance of same. Where the Purchaser is obliged to make such repairs and undertake such maintenance, the Purchaser shall indemnify and save harmless the Vendor, Subdivider and any governmental authorities from all damages or costs associated with same and the Purchaser agrees, at the request of the Vendor, to execute such additional

assurances in this regard as may be required by the Vendor and to have same registered on title by the Vendor if required by Vendor at the Vendor's option.

16. Where any portion of any fence is within twenty-four (24) inches of the Property line, such fence shall be deemed not to be an encroachment at that point (the "Permitted Encroachment") and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price. If any portion of any fence is not deemed to be a Permitted Encroachment (an "Unpermitted Encroachment") then the Purchaser shall complete the transaction herein upon the Vendor's undertaking to take all commercially reasonable lawful steps to remove the Unpermitted Encroachment without any abatement of the Purchase Price whatsoever.
17. The Purchaser acknowledges and agrees that lots, parcels and/or the Property may vary in shape, dimensions and/or size and that in the case of a pie shaped lot, or inverted pie shaped lot, that the width of the lot is measured and determined by the municipality at the front building set back line and for the purposes of determining lot width of any lot, same shall be measured at the front yard building set back line. All lot or Property dimensions and/or areas are approximate only and the Vendor shall have the right to vary or amend the shape, dimensions, width, length and/or area of the lot or Property provided that such any such variations represent not more than a five (5%) percent variance, plus or minus, than as disclosed to the Purchaser, and, the Dwelling selected by the Purchaser may be constructed upon the Property. In such event the Purchaser shall complete this transaction without any reduction of the purchase price, credit or rebate.

TARION WARRANTY AND MODIFICATION OF PLANS, SPECIFICATIONS AND FINISHES

18. The Vendor agrees to erect the Dwelling upon the Property generally in accordance with plans and specifications already examined by the Purchaser and as attached to this Agreement (the "Plans"). Provided however that the Purchaser acknowledges and agrees that decor, finishes, furniture, improvements, mirrors, wall coverings, floor coverings, and window coverings of the model home are for display purposes only, are not included in the Vendor's standard finishes and are not included in the Purchase Price. The Purchaser acknowledges that the net area of the Dwelling purchased hereunder, as represented or referred to by the Vendor or any sales agent, is approximate only, and is measured in accordance with the applicable HCRA directives for homes of this classification. Note: actual useable floor space may vary from the stated floor area. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions of the Dwelling purchased hereunder are approximate only, and that the Purchase Price shall not be subject to any adjustment based upon square footage, net floor area or otherwise. In addition, the Purchaser acknowledges and agrees that the ceilings may be dropped below standard heights and walls may be modified or bulk heads or mechanical spaces installed to accommodate mechanical systems thereby affecting the useable space in the Dwelling. Therefore, the Vendor and the Purchaser agree as follows:
 - (a) The parties confirm and acknowledge that this Agreement contains the Warranty Information and the Purchaser agrees to sign a Confirmation of Receipt for the same on receipt of the Warranty Information. The Purchaser is advised to read the Warranty Information carefully so that they understand what is included and/or excluded from such warranty. The Warranty Information is also available by contacting Tarion or obtaining same from their website at www.Tarion.com. Purchasers are advised to visit Tarion Warranty Corporation's Learning Hub to review more information on their rights and warranties at <https://www.tarion.com/homeowners/learning-hub>.
 - (b) The Purchaser shall have the right to designate a representative to undertake the pre-delivery inspection (the "PDI") on his/her behalf without detracting from the Purchaser's right to conduct or be present when the PDI is being undertaken. The Purchaser and/or his or her designate, shall meet the Vendor's representative at the time designated by the Vendor prior to the Closing Date, to undertake the PDI of the Dwelling and to list all items remaining uncompleted at the time of such inspection together with all mutually agreed deficiencies with respect to the Dwelling, on the Tarion Certificate of Completion and Possession and/or such form as may be prescribed by Tarion (the "PDI Form"). The said Tarion certificate and/or PDI Form shall be executed by both the Purchaser and the Vendor's representative forthwith after such inspection.
 - (c) The Purchaser agrees that in no event shall the Purchaser be entitled to obtain possession of the Dwelling and Property unless and until the Purchaser and/or their designated representative has completed the PDI and executed the said PDI Form. In the event that the Purchaser and/or their designated representative has omitted or refused to execute the said PDI Form prior to the Closing Date, and the Vendor has duly attended at the Dwelling for the purposes of completing the said PDI Form and to inspect the Dwelling, the Vendor shall have the unilateral right and option of either completing this transaction and refusing to allow possession of the Dwelling by the Purchaser until such PDI Form has been duly executed, or of terminating this Agreement, whereupon all Deposits and monies paid or payable in respect of Extras, together with all interest accrued thereon at the prescribed rate, shall be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at law or in equity.
 - (d) The Purchaser further acknowledges and agrees that any warranties of workmanship or materials, in respect of any aspect of the construction of the Dwelling, whether implied by this Agreement or imposed by law or in equity, or by any statute or otherwise, shall be restricted to only those warranties deemed to be given by the Vendor pursuant to the ONHWPA, and shall extend only for the time period (and in respect of those items) stipulated or covered by ONHWPA. Without limiting the generality of the foregoing, the Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage caused to improvements of, and chattels stored in, the Dwelling, and acknowledges and agrees that the Vendor shall not be liable or responsible for the repair or rectification of any damages to any exterior areas resulting from ordinary settlement, including the settlement of patio stones or sodded areas, nor for any damage to

interior household improvements, chattels or decor caused by material shrinkage, twisting or warpage, nor for any secondary or consequential damages whatsoever resulting from any defects in materials, design or workmanship related to the Dwelling, and that the Vendor's only obligation shall be to rectify any defects pursuant to the terms of this Agreement and Tarion's warranty. The Purchaser acknowledges that any Third Party Work (as hereinafter defined) whether or not carried out by trades or subtrades employed by the Vendor shall be deemed to be work contracted directly by the Purchaser with the Vendor acting as agent for the Purchaser and as such, the Third Party Work shall not be covered by the Tarion warranty. The Purchaser covenants and agrees not to enter into any agreement or arrangement with any trade or subtrade employed by or under contract with the Vendor and/or any of its contractors, subcontractors and/or agents in respect of any work on the Dwelling. The Purchaser covenants and agrees not to undertake any renovation of finishing work in respect of the basement of the Dwelling for a period of thirty (30) months after closing and in the event that the Purchaser does undertake such work, then the Vendor shall be relieved of any and all responsibility to restore such work or finishes in the event that the Vendor has to remove same in order to complete any warranty work and the Purchaser shall indemnify and save the Vendor harmless from and against any and all costs incurred by the Vendor in removing such finishes in order for the Vendor or its agents to be able to complete such warranty work.

- (e) The Vendor shall complete the exterior landscaping or exterior building elements of the Property and Dwelling and any abutting road allowance as soon as reasonably practicable, but the failure of the Vendor to complete the exterior landscaping or building elements, on or before the Closing Date, or the failure of the Subdivider to complete any element of the Subdivision, shall in no event entitle the Purchaser to refuse to take possession of the Dwelling and/or to close the within transaction on the Closing Date, or to fail to remit to the Vendor the entire amount of the Purchase Price and any other monies required to be paid by the Purchaser hereunder, or to maintain any holdback of any part of the Purchase Price or any other monies due to the Vendor, provided that the Vendor has complied with the occupancy requirements of the Addendum which terms shall prevail. The Vendor hereby undertakes to complete the Dwelling and all unfinished work or improvements thereto in accordance with this Agreement. The Vendor shall provide the Purchaser, on or before closing, with such evidence that the Dwelling may be legally occupied in accordance with the terms and provisions of the Addendum. The Purchaser agrees in such event to close the transaction, notwithstanding that there remains, without limitation, grading, landscaping or other exterior work or interior work to be completed, without any hold back of any part of the Purchase Price, on the Vendor's undertaking hereby given to complete the Dwelling and all improvements to the Property. The Purchaser shall not hold the Vendor or the Municipality and/or any other governmental authorities and/or any of their respective agents liable for any damages, charges or inconvenience arising from, or in connection with the completion (or non-completion) of any item, including but not limited to boulevard sodding, sidewalks, driveway approach, paving, fencing, final lot grading and/or lot sodding.
- (f) The Purchaser acknowledges and agrees that the Vendor may, from time to time, as required by any governmental authority having jurisdiction or any other rights with respect to the Property or as required by the Vendor from time to time, change, vary or modify the plans and specifications pertaining to the Dwelling and Property, (including architectural, structural, engineering, landscaping, grading, mechanical, site service or other plans) from the plans and specifications existing at the inception of the project, or as they exist at the time the Purchaser has entered into this Agreement, or as same may be illustrated in any sales brochure(s), model(s) in the sales office or otherwise, including reversing the layouts of the Dwelling or changing the elevation/facade of the Dwelling. The Purchaser shall have absolutely no claim or cause of action whatsoever against the Vendor or its agent(s) for any such changes, variances or modifications. The Vendor shall advise the Purchaser of the changes as soon as reasonably possible about the amendments and alterations. The Purchaser also acknowledges and agrees that architectural and/or engineering control of exterior elevations, driveway construction, boulevard tree planting, landscaping, corner lot fencing (including the location, type and quality of such corner lot fencing), exterior colour schemes, or any other matter external to the Dwelling or Property designed to enhance the aesthetics of the area in which the Property is situate (the "Requirements"), may be imposed and/or altered from existing plans and specifications at the time the Purchaser entered into this Agreement by the Municipality or any other Governmental Authority and the Purchaser agrees to take occupancy and title to the Property subject to the Requirements. In the event the Vendor by any Governmental Authority to construct, alter, amend or change, pursuant to such Requirements, the exterior elevation for the Property and/or Dwelling other than as shown on the schedules to this Agreement or specified herein or is required to alter or modify the driveway, building façade or elevation, internal road or other hardscape installation, construction or location, boulevard tree planting or landscaping plan for the Dwelling or Property (all of which is hereinafter referred to as the "Amended Plans"), the Purchaser hereby irrevocably authorizes the Vendor to complete and construct the Dwelling and Property in accordance with the Amended Plans and the Amended Plans shall be the approved plans for the purposes of the Purchaser's obligation to complete this Agreement. The Vendor shall have the right to construct the Dwelling on a reverse mirror image plan, including reversal of the interior floor layout and other minor modifications and the Purchaser agrees to accept such reversal and/or modification absolutely without any right of abatement of, or set-off against, the Purchase Price, in full satisfaction of the Vendor's obligations herein. Further, in the event the Vendor determines that it needs to alter the grade of the Dwelling for any reason, than as depicted in the Plans, and as a result of such change in the elevation, the Vendor needs to install a step or series of steps to any entrance to the Dwelling or garage and this affects the interior dimensions of the Dwelling or garage (if any), then the Purchaser agrees to accept such change in grade and the change in the usable interior space in the garage (if any) and/or Dwelling caused by the installation of steps and shall complete this transaction without any abatement in the Purchase Price. With respect to any aspect of construction, finishing or equipment, the Vendor shall have the right subject to the requirements or TARION or the provisions of the ONHWPA, without the Purchaser's consent, to substitute materials and/or designs and/or installations, for those described in this Agreement, any schedule of finishes or in the plans or specifications, provided the substituted materials, designs and/or installations are in the judgment of the Vendor,

whose determination shall be final and binding, of equal or better quality or as may be required as a matter of law or any applicable building, fire, plumbing and/or electrical code or regulation. References to model types or model numbers in any schedule of finishes or Extras addendum or agreement refer to current manufacturer's models as of the date of this Agreement and may change without notice and the Vendor shall be entitled to replace with the manufacturer's or alternate manufacture models that are of a similar size, style, design and quality. The Purchaser acknowledges and agrees that finishing materials contained in any model suites or sales office displays including but not limited to substrates, floor and wall coverings, broadloom, furniture, electrical fixtures, window coverings, flooring, upgrade cabinetry, staircases, railings, appliances etc. may be for display purposes and may not be of the same grade or type or may not necessarily be included in the Dwelling purchased herein. Purchasers are advised that any ceiling height set out in this Agreement will be measured approximately from the upper surface of the floor to the underside of the ceiling structure, provided however that various areas of the Dwelling may contain (or be subject to) ceiling bulkheads and/or dropped ceilings, in order to facilitate the installation of structural components, mechanical and HVAC systems and/or ductwork, and accordingly in those areas of the Dwelling that are subject to said bulkheads and/or dropped ceilings the Vendor shall be entitled to reduce the overall ceiling height accordingly and the Purchaser covenants and agrees to accept such situations and/or alterations. The Purchaser acknowledges that any room dimensions as shown on any plans attached to this Agreement or otherwise are approximate and may vary based on the construction requirements of the development in which the Property is situate and the Purchaser covenants and agrees to accept such variations and/or alterations. The Purchaser acknowledges, confirms and agrees that the extent of the actual or useable living space or net floor area within the confines of the Dwelling may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor based on the permitted Tarion method of area calculation. The Purchaser shall have no claim against the Vendor for any changes, variances, alterations, amendments and/or modifications as permitted in this Agreement, nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations, variances, amendments and/or modifications and agrees to complete the sale notwithstanding same. The Purchaser shall have no claim against the Vendor for any such changes, variances, alterations, amendments or modifications, etc., nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations and agrees to complete the sale notwithstanding any of the foregoing.

- (g) Notwithstanding anything contained in this Agreement to the contrary, it is understood and agreed by the parties hereto that in the event that construction of the Dwelling is not completed on or before the Closing Date or any extension thereof as hereinbefore contemplated, for any reason except for the Vendor's willful neglect, or in the event the Purchaser cannot take possession of the Dwelling on Closing by reason of any fire damage or other hazards or damages whatsoever occasioned thereto, constituting an event of Unavoidable Delay (as defined in the Addendum), then subject to the terms of the Addendum to the contrary, Vendor shall not be responsible or liable for reimbursing the Purchaser for any costs, expenses, or damages suffered or incurred by the Purchaser as a result of such delay or damage, and specifically shall not be responsible for any costs and expenses incurred by the Purchaser in obtaining alternate accommodation pending the completion of construction of the Dwelling or the rectification of the damage, nor for any costs incurred in having to store or move the Purchaser's furniture or other belongings pending such completion or rectification work.
- (h) Notwithstanding anything set out herein to the contrary, the Vendor shall have the right to enter upon the Dwelling for a period of eight (8) years after the completion of the transaction set out in this Agreement, as required by the Vendor in its complete discretion, in order to complete and/or rectify outstanding items identified in the PDI Form or any other list prescribed by Tarion and the Vendor agrees to complete and/or rectify same within a reasonable time after Closing (or some other date as prescribed by Tarion), having regard to the availability of equipment, materials and labour. The failure or refusal by the Purchaser to provide access to the Property and/or the Dwelling situate thereon by the Vendor or its workmen, servants, agents or contractors following reasonable notice by the Vendor, shall relieve the Vendor of any obligation to complete or rectify any items of work that may be outstanding and otherwise required to be completed by the Vendor pursuant to the provisions of this Agreement.
- (i) It is expressly understood and agreed that the Dwelling will be separately metered for utilities, including electricity, gas and water and waste water services, and accordingly the consumption of electricity, gas and water and waste water services (as well as cable television, internet and telephone charges), shall be borne and paid for by the Purchaser from and after Closing Date. The Purchaser acknowledges that the Municipality may require that the Purchaser enter into a groundwater and/or sanitary discharge agreement whereby the Purchaser shall pay the Municipality for discharging ground and/or storm water into municipal sewers and the Purchaser covenants and agrees to enter into such agreement or assumption of same, without amendment forthwith upon request both before and after Closing.
- (j) The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom they are in law responsible to any services installed within the Property, which services shall, without limitation, include survey stakes, landscaping, trees, planting, curbs, curb cuts, streets, roads, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities.
- (k) It is understood and agreed that the Purchaser is not entitled to perform any work on the Property prior to closing ("Unauthorized Work") without the Vendor's written consent and in the event that such consent is obtained, the Purchaser must obtain at its expense, and without restriction, any applicable building permits for the subject work at the Purchaser's sole cost and expense. It is further understood and agreed that such work shall not be warranted by Tarion or the Vendor or any other party related to the Vendor and that the Vendor shall not be responsible for any delay, costs and/or penalties arising as a result of the delay by the Purchaser in completing such permitted work on or before the scheduled closing

date. Performance of any Unauthorized Work constitutes a trespass and breach of this Agreement, and shall entitle the Vendor to either: i) complete construction of the Dwelling to the extent possible, as determined by the Vendor in its sole discretion, without regard to possible damage to the Unauthorized Work and without incurring any additional expense as a result of the Unauthorized Work; ii) remove and/or repair the Unauthorized Work, and any other portion of the Dwelling thereby affected, and to receive compensation therefore as an adjustment on Closing in an amount to be determined by the Vendor in its sole discretion; or iii) terminate this Agreement, whereupon all Deposits and monies paid or payable in respect of Extras, together with all interest accrued thereon at the prescribed rate, shall be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at law or in equity. It is further understood and acknowledged by the Purchaser that the Vendor's warranty of workmanship is rendered invalid insofar as it relates to matters affected by the Unauthorized Work, as applicable.

- (l) The Purchaser acknowledges that notwithstanding anything contained in any brochures, drawings, renderings, plans and specifications, advertisements or other marketing materials, or any statements made by the Vendor or its representatives (the "Marketing Materials"), there is no warranty or representation contained herein or elsewhere on the part of the Vendor as to the area of the lot or Dwelling. The Purchaser acknowledges that the dimensions of the Lot or Dwelling as shown in any Marketing Materials are approximate only and that the Purchaser is not acquiring the Property on a price per square foot basis. Accordingly, the Purchaser shall not be entitled to any abatement or refund of the Purchase Price based on the precise dimensions or area of the Lot and/or Dwelling. The Purchaser further acknowledges that the Purchase Price is not a direct function of the area of the Lot and/or Dwelling and, consequently, in the event that the final area of the Lot and/or Dwelling as shown on any Marketing Materials is less than the area of the Lot and/or Dwelling as represented to the Purchaser at any time, the Purchaser acknowledges and agrees that they shall not be entitled to any reduction or abatement to the Purchase Price. In the event that the frontage, depth, area or other dimension of the Lot or Dwelling, as the case may be, is varied by up to and including the amount permitted by Tarion Warranty Corporation from the specifications set out in this Agreement or the Marketing Materials, the Purchaser acknowledges and agrees to accept all such variations without notice and without a claim for compensation or abatement of the Purchase Price.
- (m) In the event the Dwelling is constructed at a grade level different than as depicted in any Marketing Materials reviewed by the Purchaser at the time of entering into this Agreement necessitating a step or series of steps to the front door, side door, rear door or any other door of the Dwelling, the lowering of any ceiling and/or the re-location of any door, the Purchaser hereby irrevocably agrees to accept such change without notice, without any right to abatement of the Purchase Price and in full satisfaction of the Vendor's obligations with respect to the construction of the Dwelling.
- (n) In the event that the plans for the Property contemplate direct access from the garage to the Dwelling, the Purchaser acknowledges that such feature is subject to the specific grading requirements of the lot and, at the time of executing this Agreement, the Vendor does not yet know whether it will be necessary to construct stairs from the garage to the dwelling and, if so, the number of steps that will be required. The Purchaser acknowledges that, depending upon the location of the access and the number of steps required to be constructed, the presence of stairs in the garage may reduce the number of cars that can be accommodated in the garage. In the event that access can be constructed with two or fewer steps, the access and stairs shall be constructed by the Vendor without notice to the Purchaser. In the event that access can only be constructed with three or more steps, the Vendor shall advise the Purchaser in writing and the Purchaser shall have seven (7) days from receipt of such notice to advise the Vendor in writing whether or not the Purchaser wants the Vendor to construct such stairs and access. In the event that the Purchaser does not respond to the Vendor in writing within seven (7) days, the Purchaser shall be deemed to have advised the Vendor that it wants the Vendor to construct the access and stairs, regardless of the number of steps required to be constructed and regardless that the number of steps so constructed may reduce the number of cars that can be parked in the garage. In the event the Purchaser instructs the Vendor not to construct the access, the Purchaser shall not be entitled to any compensation or abatement of the Purchase Price.
- (o) In the event that this Agreement calls for the construction of a side door entrance and/or an entrance from the garage into the Dwelling and either of such entrances is not possible pursuant to final approved grading, engineering and/or site plans (in the sole discretion of the Vendor), the Purchaser acknowledges and agrees that the Vendor shall have no obligation; (i) to construct the side door entrance and/or the entrance from the garage; (ii) to provide any credit, compensation or abatement of the Purchase Price in lieu thereof; and (iii) notify the Purchaser of this modification.
- (p) As of the date of this Agreement, the final site plans relating to the Land showing the actual sites of the Lots and/or Dwellings on the Land may not have been completed by the Vendor or approved by the Governmental Authority or approving authority having jurisdiction. Consequently, the Purchaser acknowledges and agrees that the Vendor shall have the right to construct the Dwelling on the Land in a location or angle different than as depicted in the Marketing Materials.

FINISH SELECTION AND EXTRAS

19. (a) The Purchaser covenants and agrees to notify the Vendor, in writing within seven (7) days of the Vendor's request, as to any colours and finishes or other items to be chosen by the Purchaser from the Vendor's samples, and if the Purchaser fails to so notify the Vendor of their colour and finish selection or other selection within such time, the Vendor shall not be held liable for any delays in having the Dwelling substantially completed sufficient to permit occupancy thereof by the closing date, and the Purchaser shall complete the transaction on such date, notwithstanding that the Dwelling may not be substantially completed by such date. The Purchaser acknowledges and agrees that as a result of the Tarion Delayed

Closing rules and regulations as set out in the Addendum, that any delay caused by the Purchaser in the selection of the finishes and colours can result in a delay in a construction and delivery of the Dwelling and as a result, a breach of the Purchaser's covenants in this section shall be considered a material breach of contract entitling the Vendor to all of its remedies in contract, law and equity, including without limitation, the right to terminate this Agreement and retain all monies paid thereto by the Purchaser as liquidated damages and not as penalty. Notwithstanding and in addition to the foregoing, in the event the Purchaser fails to make such selections as aforesaid, the Vendor shall be entitled to make such selections on behalf of the Purchaser and the Purchaser shall be obliged to complete this transaction without any holdback or abatement whatsoever.

- (b) Subject to the Vendor's approval, if the Purchaser chooses to order third party upgrades or extras other than those specified and provided by the Vendor or if the Vendor agrees to allow the Purchaser or its agents to complete certain work within the Dwelling (collectively referred to as "Third Party Work"), then, if any delays in the completion of such Third Party Work affects the availability of legal occupancy of the Dwelling, then the Vendor shall not be held liable for any delays in having the Dwelling substantially completed sufficient to permit occupancy thereof by the closing date, and the terms of the Addendum shall apply. If the delay in the delivery and/or installation of the Third Party Work does not prevent the legal occupiability of the Dwelling and the provision of the evidence confirming same as set out in the Addendum, then the Purchaser shall complete the transaction notwithstanding, without any holdbacks in respect of the Purchase Price. In the event that the Purchaser ordered and paid for extras comprising or requiring Third Party Work through the Vendor and such extras are not available on closing, but the lack of installation of same does not prevent the closing of such transaction and/or legal occupancy of the Dwelling, then the Vendor shall have the option of either i) providing its undertaking on closing to install such Third Party Work extras in the Dwelling within a reasonable time of receipt of same after closing; or ii) refunding the cost of the Third Party Work extras upon closing by way of providing the Purchaser with a credit in the statement of adjustments. In such latter event, such credit shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to such extras.
- (c) The Purchaser acknowledges and agrees that insofar as the wood finishes, marble, stone, carpeting, tiles, kitchen cabinetry or other manufactured finishing materials installed within the Dwelling are concerned: (i) the colour, texture and/or shading of such wood finishes, carpet, tiles, cabinetry or other manufactured finishing materials may vary slightly from that of those selected by the Purchaser from the Vendor's samples, due to minor variations or shading in dye-lots produced or manufactured by the suppliers; and (ii) the colour, finish and/or grain of wood and stone products may vary slightly from that of the wood or stone selected by the Purchaser from the Vendor's samples, inasmuch as wood and stone are natural materials which inherently cannot be precisely replicated or matched with other pieces or samples, thereby accounting for variations of colour and/or grain even within the same lot or section of wood or stone. The Purchaser shall accordingly be estopped from claiming any entitlement to an abatement in the Purchase Price, or any replacement (in whole or in part) of the carpet, tiles, cabinetry, manufactured finishing materials or wood or stone products so installed or any other relief as a result of the variations hereinbefore described or contemplated. The Purchaser acknowledges and agrees that all light-coloured materials, especially flooring, may be subject to fading or yellowing after use or exposure to sunlight and such fading or yellowing will not be covered by any warranty. The Purchaser further acknowledges that light-coloured and white carpeting may be subject to discolouring at walls and sub-floor joints due to the filtering process that occurs with forced air heating, generally caused by pollutants and candles and both exterior and interior air quality and is not covered by any warranty provided for herein.
- (d) The Purchaser covenants and agrees that they shall pay the Vendor in advance, (unless otherwise agreed in writing), for any Extras and the applicable HST and other taxes thereon ordered by the Purchaser and agrees that such payment shall be non-refundable in the event that this transaction is not completed due to any default hereunder by the Purchaser, and the Vendor may deduct the cost of such Extras, (as well as applicable HST and other taxes thereon) if not already paid for, from any deposit monies which may otherwise be refundable. In the event that for any reason the Extras are not installed by the Vendor prior to closing, the Vendor shall be entitled to refund all or part of monies paid as appropriate, and this shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the Extras, upgrades or changes which remain incomplete as aforesaid.
- (e) The Purchaser agrees that the Vendor, in its sole discretion, may provide samples of colours, finishes, Extras or other items to be selected by the Purchaser in a digital format, by sending samples to the email address provided on the Tarion Addendum and/or by scheduling a meeting by live video or conference call.

NO ACCESS UNTIL CLOSING

20. The Purchaser hereby acknowledges and confirms that they shall not be allowed without the specific written consent of the Vendor, (which consent may be arbitrarily withheld by the Vendor) access to the Property, for any purpose whatsoever. Once such right of access is exercised by the Purchaser with consent as aforesaid, they agree to comply with all regulations and requirements imposed by any governmental authorities or imposed by the Vendor which may prevent, restrict or regulate such access due to health, safety or other governmental requirements or policies. The Purchaser further acknowledges and agrees that any access to the Property shall be at the Purchaser's sole risk and the Purchaser hereby forever discharges and releases the Vendor, its successors and assigns, agents, employees and contractors from any and all damages, actions and claims whatsoever that the Purchaser may have as a result of personal injury or property damage occasioned by entering onto the Property, whether such entry was with or without the Vendor's express written consent. If permitted onto the Property, the Purchaser shall not enter the Lands, Subdivision and/or Property unless accompanied by a representative of the Vendor and the Purchaser shall be responsible to provide and wear all such protective headwear and footwear and any other equipment or clothing as required pursuant to the

The Purchaser acknowledges and agrees that the HW and/or ERV serving and benefiting the Dwelling is rental equipment and that the Purchaser shall be obliged to assume any and all obligations with respect to such facilities as arranged for by the Vendor in its absolute discretion, and the failure to do so as and when required shall constitute a material default by the Purchaser under this Agreement and shall execute any and all rental or lease agreements required by the Vendor in respect of the HW and/or ERV as and when required by the Vendor.

26. The Purchaser shall execute on the Closing Date such undertakings and/or agreements in such form as determined by the Vendor agreeing to be bound by and comply with the terms and obligations of the Development Agreements and Permitted Encumbrances, as hereinafter defined.

The Purchaser acknowledges that the issuance of an occupancy permit approved for the Dwelling by the Municipality constitutes a licence to access or egress over any 0.3 metre reserve restricting access to a public road by the Property. The Purchaser also acknowledges that the wires, cables and fittings comprising the telephone system, internet system, and cable television system serving the Dwelling are (or may be) owned by the local cable television, telephone and/or internet supplier, or by a company associated, affiliated with or related to the Vendor. The Purchaser covenants and agrees to consent to the matters relating to title referred to above and to execute all documents and do all things requisite for this purpose, either before or after the Closing Date. The Purchaser covenants and agrees to consent to the matters relating to title referred to above and to execute all documents and do all things requisite for this purpose, either before or after the Closing Date at the request of the Vendor and/or its solicitor, and shall provide the Vendor with such further assurances in respect of same as the Vendor may require in its discretion.

The Purchaser further agrees to accept title from the registered owner of the Property and to accept such owner's title covenants in lieu of the Vendor's, in the event that the Vendor is not the registered owner of the Property on the Closing Date.
- (b) The Purchaser acknowledges that the Property is or will be encumbered by blanket mortgages and/or encumbrances which the Purchaser is not to assume and that the Vendor shall not be obliged to obtain and register (partial) discharges of such mortgages insofar as they affect the Property on the Closing Date. The Purchaser agrees to close the transaction notwithstanding the existence of such charge(s) and accept the Vendor's Solicitors' undertaking to register (partial) discharges of such mortgages in respect of the Property upon receipt, subject to the Vendor or the Vendor's Solicitors providing to the Purchaser or the Purchaser's solicitor the following:
- (i) a mortgage statement or letter from the mortgagee(s) (or from their respective solicitors) confirming the amount, if any, or the terms if an amount is not applicable, required to be paid to the mortgagee(s) to obtain (partial) discharges of the mortgages with respect to the Property;
 - (ii) a direction from the Vendor to the Purchaser to pay such amounts to its solicitors in trust and/or the mortgagee(s) (or to whomever the mortgagees may direct) on the Closing Date to obtain a (partial) discharge of the mortgage(s) with respect to the Property; and
 - (iii) an undertaking from the Vendor's Solicitors to deliver such amounts to the mortgagees and to register the (partial) discharge of the mortgages with respect to the Property upon receipt thereof and to advise the Purchaser or the Purchaser's solicitor concerning registration particulars which notification can be performed by posting same on the world wide web in a location given to the Purchaser or their solicitor.

- (d) The Purchaser shall, both before and after closing, also grant and execute any and all temporary or permanent easement(s) for the installation and/or maintenance of private and/or municipal utility or other services to the Property, or to adjacent or neighbouring properties, in favour of any governmental authorities, private and/or public utilities and/or service providers and/or to adjacent or neighbouring land owners (including without limitation, any easement(s) for maintenance purposes for all lots or parcels of lands within the Subdivision where less than 1.2 meter (4 foot) side yards are being provided), as well as easements for roof overhangs and eaves troughs and easements, forthwith upon the Vendor's request. In addition the Purchaser shall at the request of the Vendor, provide on Closing a transfer or transfers of easements in favour of any adjacent lands for overhead crane swings, facilitating the installation of shoring or foundations, installing and maintaining piles and/or tie-back installations, temporary working easements for construction on adjacent lands and/or the installation of temporary hoarding on the rear yard of the Lot as required in connection with any of the previously set out easements. The Purchaser shall procure any Planning Act consents and postponements from any holders of any mortgage or encumbrance registered on the Property by which such mortgage or encumbrance is postponed to any such easements, and the Purchaser shall be responsible for all costs and expenses in granting, procuring or registering such easements or postponements (including without limitation the cost of obtaining Planning Act consents). The Purchaser acknowledges and agrees that due to the proximity of the Dwelling to adjacent Dwellings, minor encroachments may exist with respect to eaves and/or exterior walls of certain Dwellings and the Purchaser specifically acknowledges and agrees to accept title to the Property subject to any such encroachments.
- (e) Other than as required pursuant to the Addendum, the Vendor shall not be obliged to provide any title deeds, abstract, occupancy permits or certificates, surveys, grading certificates, or any other evidence of title or occupiability of the Dwelling, and the Purchaser shall satisfy themselves that the Dwelling may be occupied in accordance with municipal requirements. The Purchaser agrees to accept a transfer of title to the Property directly from the registered owner thereof, and to accept such owner's title covenants in lieu of the Vendor's title covenants, in the event that the Vendor is not the registered owner of the Property on closing, provided that the Vendor shall be obliged to provide such further and other covenants and undertakings as the Purchaser may be entitled to pursuant to this Agreement.
- (f) The Purchaser covenants and agrees that he/she is a "home buyer" within the meaning of the Construction Act, and any successor legislation thereto, and will not claim any lien holdback on the Closing Date. The Vendor shall complete the remainder of the Dwelling according to its schedule of completion and neither the Closing Date be delayed on that account. The Purchaser agrees to close this transaction notwithstanding any construction liens or certificates of action which may have been registered on title to the Property and/or Lands provided that the Vendor undertakes to remove such registrations as soon as possible after Closing Date and to indemnify and save the Purchaser harmless with respect to same

PURCHASER'S COVENANTS NOT TO INTERFERE

35. The Purchaser covenants and agrees that he/she/they shall not interfere with the completion of other Dwellings in the proposed development where the Dwelling is situate and/or the Subdivision by the Vendor or any other development by the Vendor or related corporation in the vicinity of the Lands and/or Subdivision. The Purchaser shall execute a waiver of liability in the Vendor's form upon request releasing the Vendor or any related corporation from any liability arising by virtue of such parties undertaking development and construction activities on the Property and/or Lands or lands in neighbourhood of same.

36. All buildings and equipment comprising the Dwelling and the Property shall be and remain at the risk of the Vendor until Closing. Subject to the terms of the Addendum to the contrary, in the event of damage to the Dwelling, however caused, prior to Closing, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage and the Vendor may either repair the damage, finish the Dwelling and complete the sale or may terminate this Agreement and have the Deposits and Extras paid by the Purchaser to the Vendor returned to the Purchaser (together with any interest required by law) and the Vendor shall thereupon be released from its obligations hereunder. The Vendor shall not hold any proceeds of any insurance policy in trust for the Purchaser and no insurance policy or proceeds shall be assigned on closing.

EXECUTION OF DOCUMENTS BY POWER OF ATTORNEY

(a) The Purchaser hereby irrevocably constitutes and appoints the Vendor to be and act as their lawful attorney, in the Purchaser's name, place and stead, in order to execute the PDI Form, Tarion deposit receipt (if any), the new housing application form for the HST Rebate (if applicable) or any other documents comprising prescribed security for deposits, together with any other ancillary documents required to be executed in order to procure any available Rebate(s) of the HST applicable in connection with this transaction, as well as any deposit insurance policy (and related documents) if any and/or any release of security required in connection with the assumption of the Subdivision. Each of the individuals comprising the Purchaser, if more than one (hereinafter referred to as the "Donor") hereby constitutes and appoints the other (hereinafter referred to as the "Donee") to be and act as the Donor's lawful agent and attorney, in order to receive such notices provided in the Addendum, and/or for the purposes of receiving notices required or desired to be delivered by the Vendor in accordance with this Agreement, acknowledging receipt of warning clause notices or of the inclusion of same within this Agreement, covenanting to indemnities required by the governmental authorities. Provided that this shall not apply in the event that any Purchaser is released from this Agreement prior to closing or termination. In accordance with the provisions of The Powers of Attorney Act R.S.O. and/or The Substitute Decisions Act, The Purchaser hereby irrevocably confirms and agrees that the powers of attorney set out herein may be exercised by the attorney so appointed during any subsequent legal incapacity of the Purchaser and may and shall only be revoked upon the death of the party

giving such power of attorney or as aforesaid. Each power of attorney as granted in this Agreement shall be deemed to be coupled with an interest in this Agreement and the Property.

- (b) If any documents required to be executed and delivered by the Purchaser to the Vendor are, in fact, executed by a third party appointed as the attorney for the Purchaser, then the power of attorney appointing such person must be registered in the Land Titles office where the Property is registered, and a duplicate registered copy thereof (together with a statutory declaration sworn by the attorney or the Purchaser's solicitor confirming that said power of attorney has not been revoked) shall be delivered to the Vendor along with such documents. Where a third party has been appointed as the attorney for the Purchaser, then any notices required or desired to be delivered to the Purchaser in accordance with the terms and provisions of this Agreement, may be given to the said attorney, in lieu of the Purchaser or the Purchaser's solicitor (and shall be deemed to have been received by the Purchaser when so delivered to their attorney).
- (c) Where the Purchaser herein is a corporation, or where the Purchaser is buying in trust for a corporation to be incorporated, the execution of this Agreement by the principal or principals of such corporation, or by the person named as the Purchaser in trust for a corporation to be incorporated, as the case may be, shall be deemed and construed to constitute the personal guarantee of such person or persons so signing with respect to the obligations of the Purchaser herein. The Vendor's consent allowing a corporate purchaser to purchase a Dwelling shall not derogate from such Purchaser's obligation to reimburse the Vendor for an amount equivalent to the Rebate (as defined herein) in the event that such corporate purchaser does not qualify for the Rebate.

EXECUTION BY A SPOUSE

38. If the Purchaser is a married person, their spouse shall co-sign this Agreement to ensure the performance of the covenants hereunder including, *inter alia*, the payment of the Purchase Price, together with any other documents that may be required by the Vendor as ancillary thereto, including without limitation, the execution of a counterpart of this Agreement (adding the said spouse as a party to this Agreement) and the Purchaser agrees to deliver such documentation as and when requested by the Vendor.

TENDER AND EXCHANGE OF DOCUMENTS

39. (a) The parties acknowledge that on the Closing Date this transaction shall be completed electronically and accordingly there will be no exchange of documents at the Land Registry Office between the parties or their respective solicitors. Any tender of documents or monies hereunder, including those required to be exchanged on the Closing Date, shall be made respectively upon the Vendor or the Purchaser, or upon their respective solicitors, as hereinafter set out and any money shall be tendered by negotiable cheque certified by a chartered bank or trust company. The Vendor shall be allowed to tender and deliver documentation to the Purchaser by posting the documentation required to be delivered to the Purchaser on the Closing Date on an internet web site on the world wide web, and providing notice to the Purchaser and/or their solicitor of the method of accessing such documents on such internet site and the internet address of such web site, or by electronic mail or telefacsimile and the Vendor shall be entitled to charge the Purchaser the costs of any upload costs for the use of such web site or delivery costs. The Vendor shall not be obliged to provide originals of such documents. In the event the Vendor's documents are posted on such site, said documents may be executed electronically in accordance with the Electronic Commerce Act (Ontario) and the posting of such documentation, electronically signed where required, and the notification to the Purchaser's solicitor or the Purchaser of where on the intra-net and/or world wide web such documents can be accessed, shall be deemed to effective tender of such documents on the Purchaser and/or their solicitor, as hereinbefore set out. Notwithstanding anything set out herein to the contrary, any tender upon the Vendor on the Closing Date must be made at the offices of its solicitor during normal business hours, which shall be deemed to be 9:00 a.m. to 5:00 p.m. on any business day (excluding weekends and statutory holidays).
- (b) The Purchaser shall deliver on the Closing Date such declarations, undertakings, indemnities, forms, documents, certificates and other forms of documents as required by the Vendor in its complete discretion and in its form, including without limitation undertakings to re-adjust, HST Rebate forms assignments or credits of the HST Rebate and indemnities relating thereto, covenants to comply with the terms and conditions of all Permitted Encumbrances, assumption agreements with respect to any Permitted Encumbrances and easement and cost sharing agreements, directions re: title, Utility Agreements (or assumptions thereof), equipment leases including leases with respect to any hot water equipment, covenants, assurances, undertakings, rights of re-entry, etc., as well as all monies and funds as may be required herein (by way of cash or certified cheque, bank draft etc., as provided for in this Agreement). These documents and monies comprising part of all of the "Requisite Deliveries" as defined in the Document Registration Agreement governing closing, shall be delivered to the Vendor or Vendor's solicitor (as determined by the Vendor) by no later than 3:00 p.m. on the Closing Date. In the event that the Purchaser or their solicitor has not delivered the Requisite Deliveries and/or monies as hereinbefore set out at such location and by the later of such time as stipulated in this Agreement, then the Purchaser shall be deemed for all purposes to have irrevocably waived tender by the Vendor, the Vendor shall have been deemed to have been ready willing and able to close and deemed to have provided complete and full tender of all required documents and closing requirements and the Purchaser shall be estopped and forever barred from claiming any defect in tender, the title to the Property, or any deficiency in the construction thereof, or that the Vendor was unable or unwilling to provide occupancy of the Dwelling and/or complete this transaction in accordance with the provisions of this Agreement.

ELECTRONIC REGISTRATION

40. (a) The parties hereto agree that if the electronic registration system (the "Teraview Electronic Registration System" or "TERS") is operative in the applicable Land Titles Office, then, at the option of the Vendor's solicitor, the following provisions shall prevail, namely:

- (i) the Purchaser shall be obliged to retain a lawyer, who is both an authorized TERS user and in good standing with the Law Society, to represent the Purchaser in connection with the completion of this transaction and shall provide the Vendor or its solicitors in writing with the name and contact information of the lawyer they have retained no later than thirty (30) days prior to the Closing Date. In the event the Purchaser fails to provide the contact information of their lawyer within the time period set out herein, the Purchaser will be required to pay any of the Vendor's solicitor's legal fees resulting from the delay in the Purchaser providing this information. Purchaser shall authorize such lawyer to enter into an escrow closing agreement with the Vendor's solicitor on the latter's standard form (the "Document Registration Agreement"), establishing the procedures and timing for completing this transaction and to be delivered by the Vendor's solicitor to the Purchaser's lawyers no later than seven (7) days before the Closing Date. This form may provide for the release of purchase funds from the Purchaser without a signature for completeness on the transfer for the Property by the Vendor's solicitor in the event that said solicitor is prevented from signing the transfer for completeness due to the failure by the Purchaser's solicitor to complete all statements as required pursuant to the Land Transfer Tax Act Ch. L. 6, R.S.O., 1990 as amended and/or its regulations.
- (ii) the delivery and exchange of documents, monies and keys to the Dwelling (and with "exchange" being the delivery of documents, monies and keys by each of the parties hereto as provided for in this Agreement), and the release thereof to the Vendor and the Purchaser, as the case may be:
- (A) shall not occur at the same time as the registration of the transfer/deed (and other registerable documentation);
- (B) shall be governed by Document Registration Agreement, pursuant to which the solicitor receiving any documents, keys and/or certified funds will be required to hold same in escrow and will not be entitled to release same except in strict accordance with the provisions of the Documentation Registration Agreement.
- (b) the Purchaser shall be obliged to deliver all documents and funds as may be required to close the transaction to the office of the Vendor's solicitor on or before closing in accordance with the tender provisions of this Agreement.
- (c) the Vendor may deliver all documents required for closing, save and except for the electronic deed, to the Purchaser's solicitor, with the Vendor's documents executed electronically in accordance with the Electronic Commerce Act 2002 Ch. 17, S.O. 2000, as amended.
- (d) if the Purchaser's lawyer is unwilling or unable to complete this transaction via TERS, in accordance with the provision contemplated under the Document Registration Agreement, then said lawyer (or the authorized agent thereof) shall be obliged to personally attend at the office of the Vendor's solicitor, at such time on the scheduled Closing Date as may be directed by the Vendor's solicitor, in order to complete this transaction via TERS utilizing the computer facilities in the Vendor's solicitors office.
- (e) the Purchaser expressly acknowledges and agrees that they will not be entitled to receive a completed electronic transfer/deed to the Dwelling for release and registration until the balance of the funds due on closing (as well as all other documents as may be required by the Vendor), in accordance with the statement of adjustments, are either remitted by certified cheque via personal delivery or by electronic funds transferred to the Vendor's solicitor (or in such other manner as the latter may direct) at its offices, prior to the release of the transfer/deed for registration.
- (f) documents to be registered on title to the Dwelling may be delivered by the Vendor to the Purchaser or its solicitor party hereto by telefax or email (or by a similar system reproducing the original), provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto. The Purchaser and/or its solicitor shall be obliged to provide the Vendor with a copy of the registered transfer forthwith after closing.
- (g) Notwithstanding anything contained in this Agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has undertaken the following steps: a) delivered all closing documents and/or funds to the Purchaser's solicitor in accordance with the provisions of this Agreement (with delivery of such documents via the electronic mail and/or posting same on a website on the internet); and b) has completed all steps required by TERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the co-operation or participation of the Purchaser's solicitor without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents and/or funds [and without any requirement to have an independent witness evidencing the foregoing] and the Purchaser specifically acknowledges and agrees that the Vendor's solicitor will be prevented from signing the transfer/deed of land for the Property for "completeness" is the Purchaser's solicitor has failed to complete all of the statements in the Land Transfer Tax affidavit attached to the said transfer/deed that is the specific responsibility of the Purchaser to complete. The Purchaser covenants acknowledges and agrees that the Vendor's and its solicitor's documents may be electronically signed in accordance with the Electronic Commerce Act, 2000 Ch. 17, S.O. 2000, as amended, and that such electronic form of execution of the documents shall be satisfactory for the purposes of this Agreement and this tender provision. The Purchaser irrevocably waives any right of tender provided the foregoing has been completed by the Vendor or its solicitor. The parties acknowledge and agree that keys are not included in the deliveries and are to be released at the office or on-site office of the Vendor once the

transaction contemplated herein is completed and therefore will not be available with the exchange of documents, deliveries and funds, and are accordingly not required for a tender.

FORCE MAJEURE

41. Whenever (and to the extent that) the Vendor or Subdivider are prevented, hindered or delayed in the fulfilment of any obligation hereunder, or in the doing of any work by reason of an "act of force majeure" or incident causing "Unavoidable Delay", then, save and except to the extent as provided for or restricted in the Addendum to the contrary, such party's liability to perform such obligation shall be postponed, and such party shall be relieved from any liability in damages or otherwise for breach thereof, for so long as (and to the extent that) such prevention, hindering or delay continues to exist and, if required with a reasonable amount of time to recover from the incident of force majeure. This right is intended to provide for those instances or situations not provided for in the Addendum, if any. An incident of "force majeure" shall have the same meaning as an incident comprising "Unavoidable Delay" as defined in the Addendum.

BINDING OFFER AND ENTIRE AGREEMENT

42. The parties re-affirm that this Agreement when accepted shall constitute a binding Purchase Agreement between the Purchaser and the Vendor and shall constitute the entire agreement as between the parties. In the event more than one party comprises the Purchaser herein, the obligations of such parties under this Agreement shall be joint and several. It is agreed and understood that there is no representation, warranty, collateral term or condition affecting this Agreement or the Property, or for which the Vendor (or any sales representative representing the Vendor) can be held responsible or liable in any way, whether contained, portrayed, illustrated or represented by, or in, any plan, drawing, brochure, display, model or any other sales/marketing material(s), or alleged against any sales representative representing the Vendor, other than as expressed herein in writing. Without limiting the generality of the foregoing, it is understood and agreed by the parties hereto that the Purchaser shall not make or pursue any claim or proceeding against the Vendor, nor hold the Vendor responsible or liable, whether based or founded in contract law or in tort law, for innocent misrepresentation, negligent misrepresentation or otherwise, in respect of, or arising from, any statement, representation, warranty, collateral term or condition alleged to have been made by any sales representative or by any other person alleged to represent the Vendor on behalf of or purporting to be binding upon the Vendor, save and except for those representations of the Vendor herein set forth in writing. **The Purchaser further confirms that in entering into this Agreement, they have not relied on any representation, warranty, collateral agreement or condition affecting this Agreement or the Property, or supported thereby, other than those specifically set out in this Agreement or in any of the schedules hereto, and specifically absolves the Vendor and/or any other party that may seek indemnification or contribution from the Vendor, of any obligation or liability to perform or comply with any promise or comply with any promise or representation that may have been made by any sales representative/agent or alleged against them, unless the same has been reduced to writing and is contained in this Agreement or in the schedules hereto.**

POSTPONEMENT AND SUBORDINATION AND NON-REGISTRATION, ASSIGNMENT, SALE, LEASE, ETC.

43. (a) The Purchaser hereby acknowledges and agrees to the full priority over this Agreement and the rights thereunder of the Purchaser by all Permitted Encumbrances and/or mortgages and ancillary security of any Construction Lender registered on title to the Property and/or Lands from time to time, including inter alia, any land, bonding, development, equity and/or construction financing mortgages of any Construction Lender secured by the Property and/or Lands over his interest as Purchaser for the full amount of the said mortgages or financing, notwithstanding any law or statute to the contrary and agrees to execute all acknowledgements or postponements required to give full effect thereto. Without limiting the generality of the foregoing, the Purchaser agrees that this Agreement shall be subordinated to and postponed to all such Permitted Encumbrances, mortgages and ancillary security (whether presently registered or to be registered on title to the Property and/or Lands) and any advances made thereunder from time to time, and to any Permitted Encumbrances, easements, Development Agreements or any other agreements referred to herein to which title may be subject. The Purchaser agrees to execute all necessary documents and assurances to give effect to the foregoing as required by the Vendor. Any breach by the Purchaser of this section shall be considered a material breach.
- (b) In no event shall the Purchaser be deemed or construed to have any legal, equitable or proprietary interest whatsoever in the Property or Subdivision (or a portion thereof) prior to the completion of this transaction and the payment of the entire Purchase Price to the Vendor or the Vendor's solicitors as hereinbefore provided. The Purchaser's only interest shall be this Agreement and accordingly the Purchaser agrees that they shall not have any claim for specific performance or damages. The Purchaser further covenants and agrees that they will in no way, directly or indirectly, assign, convey, list for sale, sell or transfer their rights under this Agreement prior to the Closing Date to any other person without the consent of the Vendor in writing, which consent may be withheld in the Vendor's sole discretion. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is or shall be incapable of rectification, and accordingly the Purchaser acknowledges, and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement, effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply. **In the event the Vendor consents to an assignment or transfer of the Purchaser's interest under this Agreement, the Purchaser shall pay the Vendor any assignment fee as determined by the Vendor in its discretion, plus applicable HST, and shall enter into the Vendor's form of agreement in this regard which can include a conditional termination of this Agreement and a new purchase agreement with the proposed assignee.** Further, the Purchaser will at no time register or attempt to register this Agreement on title to the Property by way of caution, deposit, assignment or in any way whatsoever, or register a

certificate of pending litigation and it is expressly agreed by all parties hereto that any such registration or attempt by the Purchaser or anyone acting for or through them shall, at the option of the Vendor, entitle the Vendor to terminate this Agreement and make it absolutely null and void and any monies paid under this Agreement shall immediately become due to the Vendor. In the event that this Agreement, a caution, certificate of pending litigation or any other instrument whatsoever is registered against or dealing with the title in contravention of this provision, then the Purchaser hereby irrevocably appoints the Vendor their true and lawful attorney pursuant to The Powers of Attorney Act R.S.O. 1990, as amended and/or The Substitute Division Act 1992, as amended for the purposes of removing the contract, caution, certificate of pending litigation or any other instrument from title, including the giving of any discharge, the lifting of any caution, the granting of any order or the assignment of any rights pursuant to this Agreement and this power of attorney shall be deemed to be coupled with an interest in this Agreement. The Purchaser shall bear all costs incurred by the Vendor in the exercise of its function pursuant to this power of attorney. Further, the Purchaser hereby covenants and agrees that at any time prior to Closing any default by them in the performance of any of their covenants or obligations contained herein shall entitle the Vendor, at its sole option, to terminate this Agreement and, upon such termination, all monies paid to the Vendor hereunder shall be forfeited to the Vendor and this Agreement shall be at an end and the Purchaser shall not have any further rights hereunder.

- (c) The Purchaser covenants and agrees not to register this Agreement or notice of this Agreement or a caution, certificate of pending litigation, Purchaser's Lien, or any other document providing evidence of this Agreement against title to the Property, Dwelling or the Subdivision and further agrees not to give, register, or permit to be registered any encumbrance against the Property, Dwelling or the Subdivision and any breach of the foregoing shall be considered a material default. Should the Purchaser be in default of his obligations hereunder, the Vendor may, as agent and attorney of the Purchaser, cause the removal of notice of this Agreement, caution or other document providing evidence of this Agreement or any assignment thereof, from the title to the Property, Dwelling or the Subdivision. In addition, the Vendor, at its option, shall have the right to declare this Agreement null and void, without any Purchaser right of rectification whatsoever, in accordance without prejudice to any other remedy available to the Vendor in the event of a Purchaser's default. The Purchaser hereby irrevocably consents to a court order removing such notice of this Agreement, any caution, or any other document or instrument whatsoever from title to the Property and/or Subdivision and the Purchaser agrees to pay all of the Vendor's costs and expenses in obtaining such order (including the Vendor's Solicitors' fees on a solicitor and client basis). In no event shall the Purchaser be deemed or construed to have any legal, equitable or proprietary interest whatsoever in the Dwelling(s) and/or the Lands (or an portion thereof) prior to the completion of this transaction and the payment of the entire Purchase Price to the Vendor or the Vendor's solicitors as hereinbefore provided. The Purchaser's only remedy against the Vendor for breach of this Agreement shall be rescission and a claim for the return of the Purchaser's deposit monies (inclusive of all monies paid for extras or upgrades to the Dwelling), together with all interest earned or accrued thereon at the rate prescribed under the Act, and in no event shall the Purchaser have any claim for specific performance or damages. Any registration by the Purchaser in contravention of this subparagraph shall constitute a fundamental breach of this Agreement, entitling the Vendor to the rights, remedies and powers hereinafter set out.
- (d) The Purchaser covenants not to list for sale or lease, advertise for sale or lease, sell or lease, nor in any way assign his or her interest under this Agreement, or the Purchaser's rights and interests hereunder or in the Dwelling, nor directly or indirectly permit any third party to list or advertise the Property and/or Dwelling for sale or lease, at any time until after the Closing Date Transfer Date, without the prior written consent of the Vendor, which consent may be arbitrarily withheld. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is or shall be incapable of rectification, and accordingly the Purchaser acknowledges, and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement, effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply. In the event the Vendor consents to an assignment or transfer of the Purchaser's interest under this Agreement, the Purchaser shall pay the Vendor any assignment fee as determined by the Vendor in its discretion, plus applicable HST. A consent to an assignment shall not include any right to list or advertise the Dwellings or this Agreement. For the purposes of this Agreement "advertising" or "listing" shall mean placing any notice of any nature of the Dwelling and/or this Agreement on any public medium or data base, including without limitation any Multiple Listing Service, social media sites, electronic billboards or internet sales or advertising sites of any nature such as Facebook, Instagram, Craigslist, Ebay, Kijiji, Realtor.ca, VRBO.com, Hotels.com, etc.), personal web site, any newspaper, flyer and/or media platform of any nature.
- (e) The Purchaser further covenants and agrees that until the Vendor receives the entire Purchase Price, that:
- (i) they will not list for sale or lease, advertise for sale or lease, sell or lease, nor in any way assign his or her interest under this Agreement, or the Purchaser's rights and interests hereunder or in the Dwelling, nor directly or indirectly permit any third party to list or advertise the Property and/or Dwelling for sale or lease;
 - (ii) they will not sell, mortgage, pledge, lien or in any way encumber the Property either directly or indirectly;
 - (iii) they will not register any notice, caution or certificate of pending litigation in respect of this agreement on title to the Property;
 - (iv) if an execution is filed against them and/or the Property, they shall forthwith have the execution removed;

- (v) if an execution is registered against person(s) with a similar name(s), they shall execute all documents required by the Vendor in its discretion, to evidence that they are not the same person(s) named in such execution(s), sufficient to enable the Vendor to obtain a clear execution certificate from the local Land Titles Office.

(f) A breach of any of the foregoing covenants of this Section shall be considered a material default by the Purchaser.

TERMINATION WITHOUT DEFAULT

44. In the event this Agreement is terminated through no fault of the Purchaser, all deposit monies paid by the Purchaser towards the Purchase Price, together with any interest required by law to be paid, shall be returned to the Purchaser; provided however, that the Vendor shall not be obligated to return any monies paid by the Purchaser for optional upgrades, changes or extras ordered by the Purchaser, save and except as provided for in the ONHWPA, its regulations or the Addendum to the contrary. In addition, the Purchaser acknowledges that the Vendor shall not be liable for any damages, losses, liabilities or costs whatsoever incurred by the Purchaser resulting from the termination of this Agreement including, without limiting the generality of the foregoing, relocation costs, professional fees and disbursements, opportunity costs, loss of bargain, loss of future profit, or any other damages or costs incurred by the Purchaser, directly or indirectly. The Purchaser acknowledges and agrees that this provision may be pleaded by the Vendor as a complete defence to any claim which may be made by the Purchaser against the Vendor. It is understood and agreed by the parties that if construction of the Dwelling is not completed in accordance with the provisions of this Agreement on or before the Closing Date, or any extension thereof, the Vendor's responsibility shall only be limited to those delayed compensation costs, damages and expenses (if any) that the Purchaser may claim pursuant to the ONHWPA and/or the Addendum.

PURCHASER DEFAULT

45. In the event that the Purchaser is in default with respect to any of their obligations contained in this Agreement, and/or any other agreement of purchase and sale entered into with the Vendor with respect to any other dwelling in the Subdivision or any other property being developed by the Declarant (with this Agreement and/or any other aforesaid agreement(s) being hereinafter collectively referred to as the "Dwelling Agreements") before Closing, and fails to remedy such default immediately after such event of default if such default is a monetary default or described herein as a substantial default, or within five (5) days of the Purchaser being so notified in writing with respect to any other non-monetary default, then the Vendor, in addition to (and without prejudice to) any other rights or remedies available to the Vendor (at law or in equity) may, at its sole option, unilaterally suspend all of the Purchaser's rights, benefits and privileges contained in the Dwelling Agreements (including without limitation, the right to make colour and finish selections with respect to the Dwelling as hereinbefore provided or contemplated), and/or unilaterally declare the Dwelling Agreements to be terminated and of no further force or effect, whereupon all deposit monies theretofore paid, together with all monies paid for any extras or changes to the Dwelling, may be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at contract, law or in equity. The registration or any lien, execution or encumbrance on title to the Property as a result of the action or default of the Purchaser shall itself be an act of default. The failure of the Purchaser to make all arrangements that the Purchaser must make with respect to the Dwelling Services on or before the Closing Date (including the completion and delivery of all documents, identification, applications, payment forms etc., to a Service Provider) that result in the Residential Dwelling not being capable of occupancy in accordance with the Addendum, shall be considered a substantial default under this Agreement. In the event of the termination of this Agreement by reason of the Purchaser's default as aforesaid, then the Purchaser shall be obliged to forthwith vacate the Dwelling (or cause same to be forthwith vacated) if same has been occupied (and shall leave the Dwelling in a clean condition, without any physical or cosmetic damages thereto, and clear of all garbage, debris and any furnishings and/or belongings of the Purchaser), and shall execute such releases and any other documents or assurances as the Vendor may require, in order to confirm that the Purchaser does not have (and the Purchaser hereby covenants and agrees that they do not have) any legal, equitable or proprietary interest whatsoever in the Dwellings and/or the Property (or any portion thereof), and in the event the Purchaser fails or refuses to execute same, the Purchaser hereby appoints the Vendor to be their lawful attorney in order to execute such releases, documents and assurances in the Purchaser's name, place and stead, and in accordance with the provisions of the Powers of Attorney Act R.S.O. 1990, as amended, the Purchaser hereby declares that this power of attorney may be exercised by the Vendor during any subsequent legal incapacity on the part of the Purchaser. In the event the Vendor's Solicitors or an Escrow Agent is/are holding any of the deposits in trust pursuant to this Agreement, then in the event of default as aforesaid, the Purchaser hereby releases the said deposit holders from any obligation to hold the deposit monies, in trust, and shall not make any claim whatsoever against the said solicitors and the Purchaser hereby irrevocably directs and authorizes the said solicitors to deliver the said deposit monies and accrued interest, if any, to the Vendor. In addition to and without prejudice to the Vendor's rights set out above, the Purchaser acknowledges and agrees that if any amount, payment and/or adjustment which are due and payable by the Purchaser to the Vendor pursuant to this Agreement are not made and/or paid on the date due, then the Vendor shall be entitled, but not obligated, to accept same provided that such amount, payment and/or adjustment shall, until paid, bear interest at the rate equal to 18% per annum. The Vendor shall on or after Closing, have a Vendor's Lien on the Dwellings with respect to any unpaid portion of the Purchase Price or any amount payable by the Purchaser to the Vendor hereunder. The Purchaser covenants, acknowledges and agrees that in the event that the Purchaser does not re-attend at the office or the sales office of the Vendor within five (5) days of notice being delivered to the Purchaser that this Purchase Agreement executed by the Vendor is available for pick-up by the Purchaser, then this Agreement, at the option of the Vendor, shall become void and of no further force and effect and the Vendor shall deliver to the Purchaser all deposit monies theretofore paid, with interest as may be required by the Act, but without deduction, and the Vendor shall have no further liability or obligation hereunder and shall not be liable for any costs or damages thereby, and the Purchaser waives any claim against the Vendor in this regard. This waiver shall not merge but shall survive the termination of this Agreement by the Vendor as set out herein and may be pleaded as estopped to any claim of the Purchaser. Any attempted revocation of a power of attorney granted to the Vendor under this Agreement shall be a substantial default on the part of the Purchaser.

PURCHASER DEFAULT – FAILURE TO CLOSE

46. In the event that the Purchaser defaults under this Agreement by failing to complete the transaction contemplated in this Agreement on the Closing Date, including failing to provide all closing documents or funds, then such default shall be a Material Default and the Purchaser shall have no right to rectification, nor shall it, at any time, have the right to re-establish time being of the essence or establish a new closing date. The Vendor shall be entitled to provide notice of such default to the Purchaser at any time after such Closing Date and any such notice shall not be deemed to comprise a waiver of time of the essence by the Vendor under this Agreement and the Vendor shall nonetheless be entitled to all remedies available to it at contract, law and equity to the same extent as if it had delivered notice of such default on the date that such default occurred. In addition to (and without prejudice to) any other rights or remedies available to the Vendor (at law or in equity) on the Purchaser's failure to close, the Vendor may, at its sole option, unilaterally declare the Dwelling Agreements to be terminated and of no further force or effect, whereupon all deposit monies theretofore paid, together with all monies paid for any Extras or changes to the Dwelling, may be retained by the Vendor as its liquidated damages, and not as a penalty, in addition to (and without prejudice to) any other rights or remedies available to the Vendor at contract, law or in equity. In the event of the termination of this Agreement by reason of the Purchaser's default as aforesaid, then the Purchaser shall be obliged to forthwith vacate the Dwelling (or cause same to be forthwith vacated) if same has been occupied (and shall leave the Dwelling in a clean condition, without any physical or cosmetic damages thereto, and clear of all garbage, debris and any furnishings and/or belongings of the Purchaser), and shall execute such releases and any other documents or assurances as the Vendor may require, in order to confirm that the Purchaser does not have (and the Purchaser hereby covenants and agrees that they do not have) any legal, equitable or proprietary interest whatsoever in the Dwellings and/or the Property (or any portion thereof), and in the event the Purchaser fails or refuses to execute same, the Purchaser hereby appoints the Vendor to be their lawful attorney in order to execute such releases, documents and assurances in the Purchaser's name, place and stead, and in accordance with the provisions of the Powers of Attorney Act R.S.O. 1990, as amended, the Purchaser hereby declares that this power of attorney may be exercised by the Vendor during any subsequent legal incapacity on the part of the Purchaser. In the event the Vendor's Solicitors or an Escrow Agent is/are holding any of the deposits in trust pursuant to this Agreement, then in the event of default as aforesaid, the Purchaser hereby releases the said solicitors from any obligation to hold the deposit monies, in trust, and shall not make any claim whatsoever against the said solicitors and the Purchaser hereby irrevocably directs and authorizes the said solicitors to deliver the said deposit monies and accrued interest, if any, to the Vendor. In addition to and without prejudice to the Vendor's rights set out above, the Purchaser acknowledges and agrees that if any amount, payment and/or adjustment which are due and payable by the Purchaser to the Vendor pursuant to this Agreement are not made and/or paid on the date due, then the Vendor shall be entitled, but not obligated, to accept same provided that such amount, payment and/or adjustment shall, until paid, bear interest at the rate equal to 18% per annum. The Vendor shall on or after the Closing Date, have a Vendor's Lien on the Dwellings with respect to any unpaid portion of the Purchase Price or any amount payable by the Purchaser to the Vendor hereunder.

CAUSE OF ACTION

47. The Purchaser acknowledges and agrees that notwithstanding any rights which they might otherwise have at law or in equity arising out of this Agreement, they shall not assert any of such rights, nor have any claim or cause of action (as a result of any matter or thing arising under or in connection with this Agreement) against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be found to be a nominee or agent of another person, firm, corporation or other legal entity, and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action or proceeding brought by the Purchaser to assert any of such rights, claims or causes of action. In the event the Vendor's solicitor is holding any of the Deposits and/or Extras in trust pursuant to this Agreement, then in the event of a default by the Purchaser, the Vendor's solicitor shall be entitled to pay and release the said Deposits and/or Extras together with any interest accrued thereon to the Vendor, provided the Vendor has delivered to its solicitors a statement of an officer of the Vendor, certifying that the Purchaser has committed a default pursuant to this Agreement that has not been remedied and that the Vendor has terminated this Agreement and that the Vendor is therefore entitled to the deposit and accrued interest, if any. Thereupon the Purchaser hereby releases the said solicitors from any obligation to hold the Deposits and/or Extras, if any, in trust, and shall not make any claim whatsoever against the said solicitors and the Purchaser hereby irrevocably authorizes and directs the said solicitors to deliver the said deposit monies and accrued interest, if any, to the Vendor.

LIMITATION

48. No waiver or forbearance by the Vendor of any breach of covenant or default in the performance of any obligation hereunder or any failure by the Vendor to enforce its rights herein shall constitute any further waiver of the Vendor's rights herein, it being the express intent of the parties that any waiver or forbearance in enforcing its rights by the Vendor shall apply solely to that particular breach or failure. The rights, remedies and recourses of the Purchaser in connection with this Agreement are limited to the Vendor, notwithstanding that the Vendor may be, or be deemed to be by law, acting as an agent or otherwise on behalf of some other person, firm, corporation or other entity and the Purchaser hereby agrees that with respect to this Agreement it shall not have any rights, remedies or recourse against such other person, firm, corporation, or other entity at law or otherwise. The Vendor shall have the right to assign or transfer this Agreement in its sole discretion. The Purchaser shall be obliged to take title from any third party or the Subdivider holding title to the Property.

49. This Agreement shall be conditional upon, and be effective to create an interest in the Property and/or Lands the subject of this Agreement, only if there is compliance with the subdivision control provisions as set out in the Planning Act, R.S.O. 1990 and any amendments thereto, including without limitation, Section 50(21) thereof on or before the completion of this Agreement.

CONSTRUCTION LIENS

50. The Purchaser acknowledges and agrees that the monies paid to the Vendor as Deposits or Extras, shall not be recognized and treated for the purposes of the Construction Act, as monies held in trust pursuant to the provisions of that Act. The Purchaser shall be deemed and construed to be a "home buyer" within the meaning of the Construction Act (and shall not constitute an "owner" as defined in Section 1(1) thereof), and as such, the Purchaser shall not be entitled to demand that any holdback of the Purchase Price be maintained for construction liens on the Closing Date. The Purchaser agrees to close this transaction notwithstanding any construction liens or certificates of action which may have been registered on title to the Dwelling or the Subdivision provided that the Vendor undertakes to (a) remove such registrations as soon as possible after completion of this Agreement and transfer of title to the Property to the Purchaser and to indemnify; and (b) to save the Purchaser harmless with respect to same.

TIME OF THE ESSENCE

51. Time shall be of the essence of this Agreement in all respects, and any waiver, extension, abridgement or other modification of any time provisions shall not be effective unless made in writing and signed by the parties hereto or by their respective solicitors who are hereby expressly authorized in that regard. The parties agree that in the event of a default, the provision of a notice containing a cure period shall not be deemed to be waiver of any time provision.

NON-MERGER, VENDOR'S LIEN

52. The Purchaser's covenants and agreements hereinbefore and hereinafter contained shall not merge on the closing of this transaction but shall remain in full force and effect according to their terms and shall be binding upon the Purchaser and its heirs, executors, administrators, successors and assigns, notwithstanding the conveyance of title to the Property to the Purchaser and the payment of the Purchase Price and other monies therefor. The Purchaser agrees to give to the Vendor any further written assurances as to the non-merger of its covenants, on, before and after closing, if so requested by the Vendor. The Purchaser acknowledges and agrees that the Vendor may reserve a Vendor's lien, in accordance with the Vendor's usual form, to secure any unpaid portion of the Purchase Price and/or any other monies owing to the Vendor by the Purchaser in connection with this transaction (including all Rebate, HST and/or remedial rectification costs incurred by the Vendor) and may register a caution or a notice of such Vendor's lien against the Property. The Vendor will however, upon request, deliver to the Purchaser (for registration at the Purchaser's expense) a release of the Vendor's lien or a withdrawal of caution but only after all monies owing to the Vendor by the Purchaser have been duly paid to the Vendor by the Purchaser, including without limitation, the repayment of any adjustments resulting from this transaction.

CONSUMER REPORTS

53. The Purchaser is hereby notified that a consumer report containing credit and/or personal information may be referred to at any time in connection with this transaction and the Purchaser hereby consents to such report being obtained by the Vendor. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement as well as all Permitted Encumbrances. The Purchaser further agrees to provide, consent to and execute all documentation as may be required by the Vendor in this regard and the Purchaser hereby irrevocably appoints the Vendor as the Purchaser's attorney to execute any consent or other documents required by the Vendor to give effect to this paragraph, which power of attorney shall remain in full force and effect and be exercisable notwithstanding and subsequent incapacity of the Purchaser.
