The balance due on the Closing Date after credit of the deposits that have cleared paid by the Purchaser to the Vendor (the "Deposits") shall be adjusted on the Closing Date as to the items required by the terms of this Agreement (plus Applicable Taxes) which shall include, without limiting the generality of the foregoing, the following:

- a) the Purchaser agrees to take all necessary steps to assume immediately on Closing, all charges for electricity, water, gas and other services, and the Vendor may recover any payments made by the Vendor on account of the Property from the Purchaser. The Purchaser agrees to accept the utility suppliers designated by the Vendor. Subsequent to Closing and prior to assumption of the subdivision by the Municipality, if the Purchaser changes any or all of the utility suppliers, the Purchaser shall be responsible for the repair of any damage caused to the Property and neighbouring lands by such alternate utility suppliers and any costs incurred by the Vendor or Subdivider to restore the Property to the original state provided by the Vendor. The Vendor shall be entitled to register a Vendor's Lien against title to the Property to protect or recover all costs and expenses incurred or to be incurred in respect of the aforesaid damage and restoration costs;
- b) all taxes, fuel, water rates, assessment rates and local improvements to be apportioned and adjusted with the Vendor being responsible for all such charges up to the Closing Date with the Purchaser being responsible for all such charges from and including the Closing Date. Where the Vendor has posted security for taxes, made payment for taxes or has been advised by the applicable authority that taxes will be billed to its account for the current year and/or following year, taxes shall be adjusted as if such sum had been paid by the Vendor notwithstanding that the same may not by the Closing Date have been levied or paid, subject, however, to readjustment upon the actual amount of said realty taxes being ascertained. In the event realty taxes have not been individually apportioned or assessed in respect of this Property and remain en bloc, then notwithstanding that such en bloc taxes may be outstanding and unpaid, the Purchaser covenants to complete this transaction and accept the Vendor's undertaking to pay realty taxes once individually assessed against this Property and agrees to pay on Closing a deposit to be readjusted and to be applied on account of the Purchaser's portion of realty taxes applicable to this Property. Municipal realty tax re-assessment and/or supplementary tax bills relating to the Dwelling constructed on the Property issued subsequent to the Closing shall be the sole responsibility of the Purchaser. Notwithstanding the foregoing, the Vendor shall not be obliged to make any readjustment of the foregoing deposit in the event that such readjustment is equal to or less than \$150;
- c) the transaction levy surcharge imposed upon the Vendor or its solicitors by the Law Society of Upper Canada plus Applicable Taxes shall be reimbursed to the Vendor on the Closing;

- e) a \$350, plus Applicable Taxes, administrative fee shall be charged to the Purchaser on Closing for any direct deposit or cheque paid for a deposit or for any upgrades which is not honoured or accepted by the Purchaser's bank for any reason, including, without limitation, a cheque returned N.S.F. or upon which a "stop payment" has been ordered;
- f) any increase after the date of execution of this Agreement by the Purchaser in any levy, payment, contribution, charge, fee or assessment, including without limitation, any parks levies, development charges, education development charges, cash in lieu of parkland dedication payments, public art contributions and/or impost charges (collectively, the "Existing Levy") required, assessed, charged or imposed as of that date by the Municipality, a regional Municipality, a transit authority, a public or separate school board or any other authority having jurisdiction under the Development Charges Act, the Education Act, the Planning Act and any other existing or new legislation, bylaw and/or policy and/or if any of the aforesaid authorities require, assess, charge or impose a new or any other levy, payment, contribution, charge, fee

or assessment (collectively referred to as the "New Levy") under the Development Charges Act, the Education Act, the Planning Act and any other existing or new legislation, bylaw and/or policy after the date of execution of this Agreement by the Purchaser then, the Purchaser shall pay to the Vendor the increase to the Existing Levy and/or amount of the New Levy, as the case may be, as an adjustment on the Closing Date plus Applicable Taxes exigible thereon;

- g) all proper readjustments shall be made after Closing, if necessary, forthwith upon written request. Any monies owing to the Vendor pursuant to such readjustment or as a result of any expenses incurred by the Vendor arising from a breach by the Purchaser of any of the Purchaser's obligations described in this Agreement shall be payable upon written demand by the Vendor and shall bear interest from the date of written demand at the rate of 12% percent per annum, calculated daily, not in advance and shall be a charge on the Property until paid and such charge shall be enforceable in the same manner as a mortgage in default. The Vendor may reserve a Vendor's Lien, following the Vendor's usual form, for unpaid purchase monies or adjustments or claims herein provided together with the interest thereon as provided for herein, and the Purchaser covenants and agrees to forthwith pay all costs in relation to said Vendor's Lien including, without limitation, the Vendor's solicitor's legal fees and disbursements and the cost to register said Vendor's Lien against title to the Property. The Subdivider's consulting engineer for this subdivision shall be the authority for the development of the subdivision as a whole and will determine responsibility and damages and costs therefore and in the event that the Subdivider's consulting engineer determines the responsibility for the cost of repair, rectification and/or replacement is that of the Purchaser, then the Vendor will charge the Purchaser accordingly, save and except for those items listed on inspection as noted herein and the Purchaser agrees to abide by such engineer's decision and the Vendor will deduct the cost of such repair, rectification or replacement from the Security Deposit relevant thereto. Should the cost of such repairs, rectification or replacement EXCEED the value of the Security Deposit, then the Vendor shall be entitled to compensation from the Purchaser for the difference between the Security Deposit and such costs and the Purchaser shall pay such shortfall amount (the "Shortfall") upon demand by the Vendor. Notwithstanding anything contained to the contrary, the Vendor shall have the right to register a Vendor's Lien for the Shortfall at any time on or before Closing. The fees, costs and charges (including, without limitation, any rental, security deposit, administration, commodity and non-commodity fees/charges) for such utility(ies) and/or for monitoring consumption of same shall be adjusted for the month of closing with the Purchaser being responsible for such fees, costs and charges from and after the Closing Date;

If the Vendor has not undertaken to pave or finish the driveway pursuant to this Agreement, the Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor and the prior written consent of the Subdivider and the Municipality, if required by the subdivision agreement or any other municipal agreement. Following such approval and prior to completing the driveway, the

Purchaser shall notify the Vendor in writing so that water keys/boxes can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment. The Purchaser agrees that neither the Purchaser(s) nor their successors or assigns shall construct or install a swimming pool, hot tub, underground sprinkler system, fencing, decking, curbs, retaining walls, landscape rocks, trees, shrubs, gazebos or other structures, nor shall the Purchaser alter or widen the driveway upon the Property until after the Vendor has obtained acceptance of lot grading from the Municipality and the Subdivider and after the Purchaser has made due application for (if applicable) any permits required for such work by the Municipality or any other authority with jurisdiction. The Purchaser agrees to remove such additions and/or improvements at its own cost upon the Vendor's request, failing which the Vendor may remove same at the Purchaser's expense. Any changes to the grading in contravention of the foregoing by the Purchaser shall result in the forfeiture of the Security Deposit and the Purchaser shall reimburse the Vendor for any costs over and above the Security Deposit resulting from the Purchaser's contravention of the foregoing. Notwithstanding anything contained to the contrary, the Vendor shall have the right to register a Vendor's Lien against the Property on, before or after Closing in the amount estimated by the Vendor to cover the costs of any removal, rectification or remedial work to be performed by the Vendor or Subdivider;

- c) The Purchaser acknowledges that construction of the Dwelling may be subject to the requirements of the architect appointed by the Subdivider (the "Subdivider's Architect") and the Purchaser agrees to accept the Property subject to any changes, variations or restrictions now or hereafter imposed by the Subdivider or Subdivider's Architect;
- d) The Purchaser acknowledges that the dimensions of the Property set out in this Agreement or on any schedule attached hereto or shown on drawings or plans made available to the Purchaser on site or otherwise are approximate only. In the event the frontage, depth or area of the Property is varied from those specified in the Agreement, or on any schedule attached hereto or shown on drawings or plans made available to the Purchaser on site or otherwise, as aforesaid, or any or all of the foregoing and provided the Property complies with municipal and other governmental requirements including zoning by-laws, the Purchaser agrees to accept all such variations without claim for abatement in the Purchase Price and this Agreement shall be read with all amendments required thereby. In addition to the foregoing, if minor variations to the size of the Dwelling including internal dimensions of any areas are made to the Dwelling the Purchaser shall accept such minor variations without any abatement to the Purchase Price;
- e) All exterior elevations and colours are architecturally controlled and approved. No changes whatsoever will be permitted to the aforementioned prior to assumption of the Subdivision by the Municipality, and the Purchaser hereby acknowledges receipt of notice of same and hereby agrees to accept the exterior elevation and colour scheme as architecturally controlled and approved. Any changes to the aforementioned by the Purchaser shall result in the forfeiture of the Security Deposit and the Purchaser shall reimburse the Vendor for any costs over and above said deposits resulting from the aforementioned Purchaser's changes;
- f) The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a semi-detached or townhouse dwelling unit, the lot or block upon which such dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot or block;
- g) Subdivision esthetic enhancements such as boulevard treatments, landscaping (including tree planting), entrance features, or corner lot fencing, or fences or retaining walls may be erected/placed/installed within the Subdivision in accordance with municipally approved plans. Such subdivision esthetic enhancements may not necessarily apply to/benefit all dwellings within the Subdivision. The erection/placement/installation and/or spacing of subdivision esthetic enhancements such as municipal trees and/or privacy fencing may be sporadic in accordance with municipally approved plans and the overall design objectives of the Municipality/Subdivider. Purchasers who do not receive/benefit from any subdivision esthetic enhancements such as a municipal tree or privacy fencing are not entitled to any refund/abatement of any sums payable to the Vendor or Subdivider hereunder. In the event this Agreement, any schedule hereto or other matter obligates the Vendor to install or provide any of the features set out herein, such matters will be provided and installed at the times determined by the Vendor and shall not comprise outstanding deficiencies or matters with respect to the completion of the Dwelling, and the Purchaser specifically acknowledges, covenants and agrees that any such

features shall be installed at the times determined by the Vendor in its sole and absolute discretion. In the event that any such Subdivision aesthetics, enhancements, boulevard treatments, landscaping entrance features, fencing or retaining walls (the "**Subdivision Enhancements**") are erected on the Purchaser's lot or block, then in such case, the Purchaser covenants and agrees to be responsible for the maintenance of such Subdivision Enhancements at its sole cost.

3. Construction

- a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "Dwelling") of the type hereinbefore indicated in accordance with the plans of the Vendor therefore and filed or to be filed with the Municipality in order to obtain a building permit and the specifications set out in Schedules "Y" and "Y1" annexed hereto. The Dwelling shall be deemed to be completed for the purposes of Closing when the requirements of the Tarion Addendum and Statement of Critical Dates have been met and the Purchaser agrees in such case to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to section headed "COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION" hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Lien Act, and will not claim any lien holdback on Closing. If by reason of "Unavoidable Delay" as defined in or as otherwise permitted by the Tarion Addendum and Statement of Critical Dates the Vendor is required to extend the Closing, the Vendor shall be entitled to extend the Closing provided the Vendor complies with the provisions of the Tarion Addendum and Statement of Critical Dates in respect of such extensions. The Dwelling shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor and provided that the provisions of paragraph 9 of the Tarion Addendum and Statement of Critical Dates attached hereto have been complied with. The Purchaser agrees to complete this transaction notwithstanding any claims submitted to the Vendor and/or Tarion or otherwise in respect of apparent deficiencies or incomplete work;
- b) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute complete acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality;
- c) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, acoustical barriers, corner lot fencing (including the location of such acoustical barriers and corner lot fencing), exterior colour schemes, corner lot and rear lot treatments, or any other matter external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "Amended Elevation"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Vendor shall have the right, in its sole discretion, to construct the hereinbefore described Dwelling either as shown on the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image Dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type hereinbefore described. Further, in the event the Vendor constructs the Dwelling at a grade level different than as depicted in the plans or drawings attached hereto, sales brochures, renderings or any other plans and specifications whether or not approved by the Municipality or any other authority having jurisdiction over same, necessitating a step, landing or series of steps to the front door, side door, rear door, any door from the garage to the interior of the Dwelling (notwithstanding that such step, landing or series of steps may encroach into the garage parking area and/or affect the interior floor area of the dwelling adjacent to such step, landing or series of steps), or to relocate and/or remove any side door, rear door or door from the garage to the interior of the Dwelling, the Purchaser hereby irrevocably agrees to accept such changes without any right of abatement of Purchase Price, claim or set-off and in full satisfaction of the Vendor's obligation as to construction of the Dwelling type hereinbefore described;

- d) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement, look-out or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement, look-out or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement, look-out or rear deck and such is required, pursuant to final approved grading and engineering plans, the Purchaser shall accept a credit in the Purchase Price, or, pay the additional cost involved in constructing such walk-out basement, look-out or rear deck, as the case may be (such costs shall be absolutely determined by the Vendor);
- e) The Purchaser acknowledges that certain lots within the subdivision may, at the Vendor's sole, absolute and unfettered discretion, require catch basins in the rear yard and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping and other subdivision enhancement features, and the Purchaser covenants and agrees that in the event the Property contains any of the foregoing items, after Closing, the Purchaser shall maintain all such items in proper working condition. Additionally the Purchaser is advised that electricity transformers, street light poles and hydrants will front onto or be located within certain lots (including the Property) within the Subdivision. The Purchaser agrees to accept the Property subject to any catch basins and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping and other subdivision enhancement features, and that electricity transformers, street light poles and hydrants required pursuant to the municipally approved plans, and the Purchaser covenants and agrees to maintain all foregoing items in proper working order if such items are contained within the Property;
- f) In the event the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor completing all of its work or construction within the Subdivision, the Purchaser covenants and agrees to permit the Vendor and its agents and subtrades to enter upon the Property for the purposes of completing work on the Property, an adjoining property or other properties in the Subdivision and the Purchaser shall not interfere with any work or construction being so performed by the Vendor, the Subdivider and their agents and subtrades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser;
- g) The Purchaser covenants and agrees that he shall pay to the Vendor for all extras, upgrades or changes ordered by the Purchaser in accordance with the terms of any documents/agreements pertaining to the purchase of said extras, upgrades or changes and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of any default hereunder of the Purchaser. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes then there shall be refunded or credited to the Purchaser that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, in the Vendor's discretion, the Purchaser received credit in the Statement of Adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be released from any and all obligation, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishings, or if the Purchaser performs any illegal work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing herein set out without holdback or set-off against the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work;
- h) The Vendor is not responsible for shade, colour or texture variations occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, floor tiles, roof shingles, brick, cement board, aluminum or vinyl siding, bath tubs, water closets, sinks, stone, stucco and other such products where the product

manufacturer establishes the standard for such finishes. The Vendor is also not responsible for colour variations or variations in material characteristics or features such as veining, grain or grain direction, knotting etc. in natural products or the finishes on natural products such as but not limited to marble, granite, hardwood flooring, kitchen cabinets, wood stair railings, spindles, trim, nosings, thresholds as well as stains or finishes applied to any of the aforesaid which colours may vary when finishes are applied to them. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product such as but not limited to toilet seats, toilets, bathtubs, cabinet finishes and paint and in these circumstances the product as manufactured shall be accepted by the Purchaser. Purchaser acknowledges and agrees that (i) carpeting may be seamed in certain circumstances and said seams may be visible; (ii) hardwood, laminate or other flooring materials may react to normal fluctuating humidity levels contributing to gapping or cupping, and (iii) there may be different levels of flooring which may require transition strips, nosings or thresholds, and the Purchaser agrees that any of the foregoing eventualities are considered to be acceptable by industry standards and the Purchaser shall make no claim whatsoever against the Vendor in the event of same;

- i) All dimensions and specifications on sales brochures, renderings and other sales aides are artists' concepts only and are approximate and subject to modification without prior notice at the sole discretion of the Vendor in compliance with the Ontario Building Code. The designation of door swings, including entrance doors and doors from the garage to the interior of the Dwelling, if any, in any schedules attached hereto or sales brochures and other sales aides are conceptual only and are subject to modification without prior notice at the sole discretion of the Vendor. The Purchaser acknowledges and agrees that attic hatches or access points may be located within any location determined by the Vendor in its sole discretion, including without limitation, within any hallway, room, closet or interior wall. The location of mechanical installations may not be as shown (or not shown, as the case may be) on sales documentation and will be located in accordance with approved plans and/or good construction practice and/or the engineer's recommendations and may result in room size or garage size reduction caused by the mechanicals being installed. The Purchaser acknowledges being advised by the Vendor that the Vendor has experienced a high rate of theft of air-conditioning units when they are installed prior to the Closing. Accordingly, the Purchaser acknowledges that if the Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with the Agreement, within thirty (30) days after the Closing, weather permitting. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing. Notwithstanding the foregoing, in the event that the Purchaser requires the air-conditioning unit to be installed prior to the Closing, the Purchaser shall make written request therefor, such request to be received not later than thirty (30) days prior to the Closing by way of separate written request addressed to the Vendor's solicitor and the Purchaser acknowledges that the Purchaser shall assume all liability for the air-conditioning unit in the event that it is stolen after its installation prior to the Closing and the Vendor shall not be obliged to replace same nor shall there be any adjustment in the Purchase Price with respect thereto;
- j) In the case of the purchase of a townhome or any other type of attached housing product types (for example semi-detached, back to back and quads, etc.) by the Purchaser (if applicable) the Purchaser acknowledges that: the concept plans displayed in the sales office and/or in promotional brochures or media (including any websites), do not necessarily represent any specific block to be built by the Vendor; the Vendor has not artistically rendered all block scenarios and combinations of model types available; final block plans will feature similar but not necessarily identical architectural details; variances from block to block will reflect, amongst other things, the number of units in respective blocks, final siting combinations of actual model types within respective blocks, roof designs that evolve in conjunction with the combination of various model types constituting specific blocks, unit stepping due to grading within respective blocks and the location of required partywalls and firewalls (if applicable) per respective block plan and the location of any utility meters within or on the blocks;
- k) Where any portion of any fence and/or retaining wall is within 12 centimeters of the Property line, such fence shall be deemed not to be an encroachment at that point (the "Permitted Encroachment") and the Purchaser agrees to accept title to the Property subject to the Permitted Encroachment and to complete the sale contemplated herein, without abatement of the Purchase Price, claim or set-off. If any portion of any fence and/or retaining wall is not deemed to be a Permitted Encroachment (an "Unpermitted Encroachment") then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment; or, at the Vendor's sole option, upon an abatement in the Purchase Price, such abatement to be calculated by multiplying the Purchase Price by the ratio of the area of the Unpermitted

Encroachment to the total area of the Property provided such portion of the fence and/or retaining wall was installed by the Vendor or Subdivider. Despite anything hereinbefore set out, the whole of any fence and/or retaining wall erected by any governmental authority, utility or railway or pursuant to any Subdivision, Site Plan or Development Agreement shall be deemed to be a Permitted Encroachment and the Purchaser agrees to maintain at its expense all such fencing and/or retaining wall to the satisfaction of the appropriate authority;

- l) Where a dwelling type has a sunken foyer, landing or hallway leading to a front porch (at the front door entry), the ceiling area below the porch slab and other relevant areas will be reduced and this height may vary up or down, caused by the number of risers from the main floor to the dropped landing, as per applicable plan. Notwithstanding that the sales aids, such as brochure plans or sketches may refer to these areas as cold rooms, storage areas, cantinas or fruit cellars, they shall be treated and referred to as crawl space, notwithstanding that the Purchaser may be desirous of using this space for other purposes. The Purchaser hereby acknowledges these facts and accepts the Dwelling as built and will make no claims whatsoever relevant thereto. Furthermore, any reference to ceiling heights in this Agreement, the schedules attached hereto or in sales material, if any, shall mean the approximate height and such heights will be reduced by sound attenuation features, finishes of floors and ceilings and installations such as bulkheads, etc.;
- m) In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be a variance or unevenness of up to one-half of an inch (1/2") in a ten foot (10') span, which the Purchaser agrees to accept, without objection or claim for compensation. In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be variance in the colour of such stucco and that the Vendor shall choose, in its sole, absolute and unfettered discretion, the texture of such stucco, and the Purchaser agrees to accept same without objection claim or set-off against the Purchase Price;
- n) The Purchaser acknowledges and agrees that drainage holes may be required, as determined and where required by the Vendor or Subdivider, on all or any of the exterior finishing and/or cladding of the Dwelling.

4. Rental Equipment

Unless expressly provided in this Agreement, the hot water heater/tank and related equipment, the heat pump and all other heating and ventilation equipment and any other equipment or included in any schedule attached hereto as rental equipment (the "Equipment") for the Dwelling, if any, is not included in the Purchase Price and shall remain chattel property. The Purchaser acknowledges that (i) the Equipment may be non-owned (ii) the terms governing the lease/rental for the Equipment will be provided by the Vendor/Subdivider prior to closing and the Purchaser may be required to execute a lease/rental document containing the terms prior to closing; and (iii) the terms of the lease/rental may contain a buy-out option allowing the Purchaser to purchase the Equipment if desired. If any provider of the Equipment no longer rents the Equipment and if arrangements are not made with another supplier for the installation of the Equipment on a rental basis, then notwithstanding anything to the contrary in this Agreement, the Purchaser shall pay, as an adjustment on closing, the cost of the Equipment, such cost to be determined by the Vendor/Subdivider. The Purchaser acknowledges and agrees that it shall only utilize the hot water heater/tank supplied by the Vendor/Subdivider within and upon the Property and the Purchaser is prohibited from installing or utilizing any other hot water heater/tank, without the Vendor's/Subdivider's prior written consent.

5. Completion and Ontario New Home Warranties Inspection

- a) The Purchaser or its designate shall inspect the Dwelling, such inspection hereinafter referred to as the Pre-Delivery Inspection (the "PDI") prior to the Closing Date with a representative of the Vendor at a time appointed by the Vendor and the parties shall indicate on the face of the Vendor's PDI Form, the approval of the Purchaser, which shall be subject only to the completion of seasonal work, and any items uncompleted, and listed thereon (or on an addendum thereto), and save as to such list the Purchaser shall be conclusively deemed to have accepted the Dwelling as complete in accordance with this Agreement. On or before the PDI, the Vendor shall provide the Purchaser with a Homeowner Information Package that is available from the Tarion Warranty Corporation ("Tarion"). The Vendor will complete all matters set out in the said Certificate as soon as reasonably practicable. Further, the Vendor agrees to rectify any defects in materials or workmanship covered by the Warranty Act's warranty issued to the Purchaser as soon as reasonably practicable after the same will have been called to the Vendor's attention by notice in writing and in accordance with the guidelines of Tarion. Except for the aforementioned inspection with the Vendor's representative, the Purchaser shall not enter (and shall not direct or cause anyone to enter) the Property and the Dwelling until the Purchaser has completed his obligations under this Agreement on the Closing Date. The Purchaser shall provide the Vendor with written notice, at least 5 days prior to the date appointed by the Vendor

for the PDI, irrevocably appointing the Purchaser's designate, if any. The Purchaser acknowledges that: a Homeowner Information Package is available from Tarion Warranty Corporation (including from the Tarion website); the Vendor has/will deliver to the undersigned a Homeowner Information Package as provided by Tarion Warranty Corporation on or before the date of the PDI; that the Vendor currently intends to provide such copy by way of email containing the Homeowner Information Package or a URL link to the Homeowner Information Package; and the Purchaser shall execute any confirmation or statements confirming receipt of the Homeowner Information Package in accordance with Tarion's requirements;

- b) The completion of the foregoing inspection and the preparation and endorsement of the Certificate are conditions of the Vendor's obligation to complete this transaction. Failure by the Purchaser to attend at the appointed time for the inspection and to complete the Certificate shall be deemed to be a default by the Purchaser under this Agreement. The Vendor, at its sole option, may thereupon either terminate the transaction, or may elect to complete the Certificate on behalf of the Purchaser. The Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as his lawful attorney in the Purchaser's name, place and stead for this purpose;
- c) The Purchaser agrees to forthwith upon request do all acts and execute and deliver all documents, both before and after Closing, as may be required by the Vendor or the relevant Municipality (the "Municipality") in connection with the acceptance of the subdivision as a whole by the Municipality;
- d) Keys will be released to the Purchaser at the construction site or the sales office or the head office of the Vendor, as the Vendor in its absolute discretion determines, unless otherwise specifically agreed in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by five o'clock (5:00) p.m. on that day, the Vendor may retain the keys and release same to the Purchaser on the next business day (in this Agreement the term "business day" or "business days" shall mean Monday to Friday, excluding statutory holidays in the Province of Ontario).

6. Conveyance

In the event the Vendor is unable to deliver to the Purchaser on or before Closing a conveyance of the Property free and clear of all encumbrances save as may be provided for in this Agreement, for any reason whatsoever, the Vendor at its option may require the Purchaser to pay the Vendor the balance due on Closing, which shall be deposited with the Vendor's solicitors in trust in escrow, with the interest earned to the benefit of the Vendor, and take possession of the Property on the Vendor's undertaking to deliver a conveyance in accordance with the provisions of this Agreement within such period as the Vendor may require and execute the Vendor's Possession Undertaking. From and after the date of possession the Purchaser shall be responsible for realty taxes, water, electricity, gas and other public or private utilities and payment to the Vendor of interest on the unpaid Purchase Price at the same rate of interest that the Purchaser is being charged by his lender as confirmed by the Purchaser providing to the Vendor's solicitor a copy of the Purchaser's mortgage commitment. The parties further agree that upon the Vendor delivering to the Purchaser a conveyance in accordance with the terms of this Agreement, the monies held in trust shall be released from escrow and paid to the Vendor and any further adjustments that may be required shall be made at the time of the delivery of the conveyance. The Vendor's solicitors shall undertake to the Purchaser not to release such monies to the Vendor from escrow until the Vendor has delivered a conveyance to the Purchaser in accordance with the terms of this Agreement.

7. Title

- a) Provided the title is good and free from all encumbrances except as herein provided, and except as to building and other restrictions, and to any easement or right-of-way granted or to be granted for installation and/or maintenance of services, telecommunication, cable television systems, and all related or appurtenant equipment, mutual driveways, and for maintenance and repair of adjoining dwellings, if applicable. Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including eaves, eaves troughing, downpipes, or other attachments to the roofs, footings, drainage pipes, utility meters and other projections of the buildings, and the Purchaser further acknowledges that portions of the Dwelling may encroach onto abutting lands where the right to do so exists. The Purchaser accepts legal access to the subject Property even though it may be restricted by 0.3 metre reserves owned by the Municipality and not yet dedicated as public highway. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed sixty (60) days prior to the Closing, to examine the title at his own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the

Purchaser will not waive this Agreement shall, notwithstanding any intermediate act or negotiations be void and the deposit monies shall be returned, with interest, and the Vendor and the Broker shall not be liable for any damages or costs whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Property. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by the Purchaser through the use of a standard title memorandum or title advice statement prepared by the Vendor's solicitors and that the same shall constitute satisfactory manner of responding to the Purchaser's requisitions. Further, the Purchaser agrees that in the event that any valid requisition is not sufficiently answered by the Vendor, then the requisition shall be deemed sufficiently answered if a title insurance policy, available for issuance to the Purchaser by any company which issues title insurance policies in Ontario, would insure over the title matter which is being requisitioned;

- b) The Purchaser agrees to accept the Property subject to Municipal regulations and restrictions now or hereafter affecting the ownership or use of the Property and the Purchaser shall observe and comply with the said regulations and restrictions and with the terms and obligations imposed by any subdivision or development agreement. The Purchaser shall also accept title to the Property subject to any rights of entry in favour of the Subdivider, the Vendor, the Municipality or any other utility/service provider or public or private governmental authority. The Purchaser shall execute any easements required for the said purposes upon being requested by the Vendor both before or after Closing. The Purchaser acknowledges that the Deed or Transfer of the Property may reserve such rights and easements. Purchaser covenants and agrees to grant such private easements as may be required by the Municipality or any other governmental authority both before or after Closing notwithstanding that such easements may not be contemplated in this Agreement or reserved in the Transfer of the Property. In the event that the Purchaser is not prepared to grant such easements, then in such case the Purchaser appoints the Vendor/Subdivider as its lawful attorney and the Vendor/Subdivider shall have the legal right to execute and deliver such private easements to give effect to this provision. In the event the Municipality or any other governmental authority or the Vendor requires the granting of maintenance and/or private drainage easements which have not been created on or before Closing, the Purchaser shall execute and deliver to the Vendor/Subdivider on Closing an Acknowledgement and Direction authorizing and directing the Vendor to register after Closing any such easements on behalf of the Purchaser. The Purchaser agrees to accept title to the Property subject to any easements, rights of way, licenses, agreements with the local Municipality, regional or county Municipality or other tier of municipal government having jurisdiction with respect to future services to be installed, or any other purpose. The Purchaser agrees to accept title to the Property subject to any private easements, including without limitation, easements for rear yard lot catch basins. The Purchaser further agrees to execute and deliver such easements as may be required both before or after Closing;
- c) In the event that the Purchaser is unable or unwilling for any reason whatsoever to grant such easements or set-off in paragraph (b) above, then the Purchaser hereby appoints the Vendor/Subdivider as its lawful attorney for the purpose of executing and delivering all such easements and documentation to give effect hereto;
- d) In the event the Property abuts land owned by any government, utility, or railway such authority may require fences, entrance gates or other structures to be located within the Property line and the Purchaser agrees to accept same and agrees to maintain same, if required by such authority;
- e) The Purchaser acknowledges that title may be conveyed directly from the Subdivider of the lands, and not the Vendor, and the Purchaser hereby releases the Subdivider from all obligation, liability and responsibility whatsoever arising out of or associated with the construction of the Dwelling and installation of all other improvements within the lot boundaries, and the Purchaser agrees to execute and deliver on Closing a separate acknowledgment and release in favour of the Subdivider to this effect;
- f) In the event any mortgages are outstanding on Closing the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register the discharge of the same within a reasonable period of time after Closing in full satisfaction of the Vendor's obligation in that regard;

- g) The Purchaser agrees to provide the name, address and telephone number of his solicitor to the Vendor or its solicitor in writing no later than sixty (60) days prior to the Closing. Should the Purchaser fail to provide this information and/or during such sixty (60) day period change solicitors, the Purchaser shall be charged a fee plus Applicable Taxes on the Statement of Adjustments, as determined by the Vendor and/or its solicitor. The Purchaser agrees to provide the Vendor's solicitor with a written direction as to whom title is to be conveyed no later than thirty (30) days prior to the Closing, failing which, the Vendor is hereby directed to convey title to the Purchaser(s) set forth and named in this Agreement. Prior to Closing, the Purchaser covenants not to register this Agreement or any other document on title to the Property and in the event that the Purchaser does register this Agreement or any other document on title to the Property then in such case the Purchaser appoints the Vendor/Subdivider as its legal attorney and grants the Vendor/Subdivider the necessary power to execute such documentation to remove the aforesaid Agreement or document from the title to the Property;
- h) If, on or after registration of the Plan of Subdivision, the lot number or municipal address of the Property is changed, the Purchaser agrees to accept such variation in lot number and municipal address as this Agreement shall be read with all amendments required thereby;
- i) The Purchaser agrees to accept title to the Property subject to any Certificates of Property Use, Notice of Requirement or other notices or directives of any governmental authority, including, without limitation the Ministry of the Environment, provided that the Vendor or the Property, as the case may be, is in compliance thereof.

- a) The Purchaser acknowledges and agrees that title may on Closing be subject to one or more subdivision or other development agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, water mains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on Closing or thereafter to obtain releases of such subdivision or other development agreements provided that the same have been complied with as of the Closing and the Purchaser shall satisfy himself as to compliance;
- b) The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and or the Subdivider may apply for a re-zoning with respect to blocks or lots not purchased hereunder as laid down by the Plan of Subdivision or with regard to the lands adjacent to or near the lands laid down by the Plan of Subdivision, and the Purchaser, the Purchaser's successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such re-zoning. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor;
- c) The Purchaser agrees that the relevant governing authorities and/or the Subdivision Agreement may require the Vendor to provide the Purchaser with certain notices ("Notices"), including, without limitation, notices regarding land usage, landscaping, maintenance of fencing, school transportation, noise and vibration warning resulting from existing or proposed highways and public transportation systems or corridors, railways, garbage, buffers, school pick-up, transit routes, bus-stops and/or shelter locations, in some instances the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. Such Notices, when available, may be delivered to the Purchaser in accordance with the notice provisions herein and delivery in accordance with any methods described in said notice provisions shall be deemed to constitute appropriate notification of the Purchaser. The Purchaser agrees to be bound by the contents of any such Notices and covenants to execute forthwith upon request, an acknowledgment containing such Notices if and when requested to do so by the Vendor. In the event the Subdivision Agreement or other development, site plan or similar agreement is not registered as of the date of acceptance of this Agreement, and therefore the Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor and if the Municipality requires the Purchaser to receive a copy of the Notices, then a copy of the Notices as revised as necessary, shall be mailed to the Purchaser's address as provided for in this Agreement or to the Purchaser's solicitor and such mailing shall be deemed to constitute appropriate notification. Without limiting the generality of the foregoing, to the extent that any Notices are provided to the Purchaser by the Vendor after this Agreement has been made, such Notices shall be deemed to have been included in this Agreement at the time that this Agreement has been made. The Purchaser acknowledges and agrees that any Notices and warning clauses may be registered on title to the Property, at the sole and absolute discretion of the Vendor.

Purchasers/tenants are advised that despite the inclusion of noise control features in this development area and within dwellings, noise levels from increasing road traffic from nearby roadways may be of concern occasionally interfering with some activities of the dwelling occupants.

9. After Closing

- a) If, after taking possession of the Dwelling, the Purchaser completes and/or installs any additions and/or improvements such as, but not limited to, porches, patios, plantings, paved driveways, pools or hot tubs, curbs or fences which are located within 6 feet of an external wall or within any area which interfere with the Vendor or Subdivider installing any required services, then the Purchaser will remove such addition and/or improvements within five (5) business days of written request from the Vendor and prior to the Vendor taking any corrective actions which it is required to take;

In the event the Vendor is, for any reason, required to replace laid sod, the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor, which costs and expenses may be deducted from the Security Deposit at the Vendor's sole, absolute and unfettered discretion. Further, the Purchaser acknowledges that the order of closing of the Property and/or the order of completion or closing of other lots sold by the Vendor is not indicative of the order of sodding of the Property and said other lots;

Notwithstanding anything contained to the contrary, Vendor/Subdivider shall be entitled to register a Vendor's Lien against the Property to cover all costs and expenses incurred or to be incurred by Vendor/Subdivider in respect of any removal, rectification, work to be performed pursuant to paragraphs (a) - (c) above;

The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in the basement resulting from water seepage or leakage, including any consequential damages arising therefrom;
- e) The Purchaser acknowledges that the Vendor has a master key for the subdivision and in the event that the Purchaser wishes to change any locks, he may do so, at his own expense, any time after Closing;
- f) If settlement occurs due to soil disturbances around the Dwelling, the walkways, driveways and sodded areas, all minor settlements shall be the responsibility of the Purchaser, and the Vendor will rectify any major settlement once only, and such work, unless of an emergency nature, will be completed when reasonably feasible and according to the Vendor's work program and availability of materials and tradesmen's services. The Vendor is not responsible for any damage to the Dwelling which the Vendor considers of a minor nature by reason of such settlement;
- g) No request by the Purchaser for homeowner service will be processed by the Vendor unless such request is in writing other than emergency service, such as no heat, water or electricity. In the event the Vendor is requested by the Purchaser to perform a homeowner service call for repairs relating to construction or work performed by the Vendor and the Vendor determines in its sole discretion that such repair is required due to any negligent act or omission either through the neglect or omission of the Purchaser, the Purchaser shall pay to the Vendor the sum of \$350 per homeowner service call, plus the cost of all materials utilized by the Vendor in making such repair, plus Applicable Taxes thereon;
- h) The Purchaser agrees that after Closing, if required by the Municipality or any public or private utility such as the local electric authority, gas company, telecommunication

- i. upon the non-payment of all or any portion of the Purchase Price, or any other amount due hereunder;
 - ii. upon a breach of, or failure in the performance or observance of any covenant, term, agreement, restriction, stipulation or provision of this Agreement to be performed and/or observed by the Purchaser; and
 - iii. upon any lien, execution or encumbrance arising from any action or default whatsoever of the Purchaser being charged against or affecting the Real Property;

If such default continues for five (5) days after written notice thereof has been given to the Purchaser or the Purchaser's solicitor, by the Vendor or its solicitors, then in addition to any other rights or remedies which the Vendor may have, the Vendor, at its option, shall have the rights and remedies as set out below;
- c) In the event of a default by the Purchaser, then, in addition to any other rights or remedies which the Vendor may have, the Vendor, at its sole option, shall have the right to terminate this Agreement and preserve any rights the Vendor may have against the Purchaser and in such event, all monies paid hereunder (including the deposit monies paid or agreed to be paid by the Purchaser pursuant to this Agreement which sums shall be accelerated on demand of the Vendor), together with any interest earned thereon and monies paid or payable for extras or upgrades or changes ordered by the Purchaser, whether or not installed in the Dwelling, shall be forfeited to the Vendor. The Purchaser agrees that the forfeiture of the aforesaid monies shall not be a penalty and it shall not be necessary for the Vendor to prove it suffered any damages in order for the Vendor to be able to retain the aforesaid monies. In the event the Vendor's solicitors are holding any of the deposit monies in trust pursuant to this Agreement, then in the event of a default, the Vendor's solicitors shall pay to the Vendor the said deposit monies together with any interest accrued thereon, provided the Vendor has delivered to its solicitors a certificate of the Vendor or an officer of the Vendor, certifying that the Purchaser has committed a default pursuant to this Agreement that has not been remedied and that the Vendor has terminated this Agreement and that the Vendor is therefore entitled to the said deposit monies and accrued interest, if any. Thereupon the Purchaser hereby releases the Vendor's solicitors from any obligation to hold the said deposit monies, if any, and interest, if any, in trust, and shall not make any claim whatsoever against the said solicitors and the Purchaser hereby irrevocably authorizes and directs the said solicitors to deliver the said deposit monies, if any, and accrued interest, if any, to the Vendor;
- d) It is understood and agreed that the rights contained in this Section on the part of the Vendor are in addition to any other rights (whether of a more onerous nature or not) which the Vendor may have at law, in equity or under any other provisions of this Agreement, and the Vendor expressly has the right to exercise all or any one or more of the rights contained in this Agreement, or at law or in equity, without exercising at such time, the remainder of such right or rights and without prejudice to the subsequent right of the Vendor to exercise any remaining right or rights at law, in equity or in this Agreement. In the event the Purchaser fails to make payment of any amount as and when required pursuant to the terms of this Agreement, the payment amount shall bear interest at a rate equal to eight per cent (8%) above the prime rate of the Vendor's bank, calculated from the due date to the date of payment. Prime rate for any day means the prime lending rate of interest expressed as a rate per annum (computed on a year of 365 days) which the Vendor's bank establishes from time to time as the reference rate of interest in order to determine interest rates it will charge for demand loans made in Canada in Canadian dollars as the same is in effect from time to time. In the event of any other default under this Agreement by the Purchaser the Vendor shall have the right, at its sole option, but not the obligation, to take whatever steps are necessary to correct and/or remedy such default and the Purchaser shall pay forthwith to the Vendor upon demand the costs and expenses of the Vendor in doing so plus a fifteen percent (15%) administration fee. In the event the Purchaser fails to pay any of the foregoing amounts to the Vendor after demand the Vendor shall have the right, at its option, to add any of such outstanding amounts to the Purchase Price as an adjustment on the Closing Date;

- e) The Purchaser represents to the Vendor upon which representation the Vendor has relied in accepting the Purchaser's offer that he is purchasing the property for his own personal use and not for short term speculative purposes. Prior to Closing the Purchaser covenants and agrees not to post any signs for sale, or list the Property for sale, or advise others that the Property is or may be available for sale, offer for sale or sell, the Property or to enter into any agreement, conditional or otherwise, to sell the Property, or any interest therein, nor to assign this Agreement or any interest herein, or the benefit thereof, nor to mortgage, deal with or in any way encumber the premises. The Purchaser will not any time prior to completing this transaction, register this Agreement, or any notice thereof, whether by Caution or otherwise, or register a notice of Purchaser's lien against the Property. Any breach of the foregoing shall constitute a breach of this covenant which shall, at the Vendor's sole option, entitle the Vendor to terminate this Agreement and the Vendor shall be entitled to retain the deposit monies as liquidated damages and not as penalty in addition to and without prejudice to any other remedy available to the Vendor arising out of such default and the Purchaser shall have no further right to or interest in the Property.

11. Unlawful Works

- a) If the Purchaser, without the consent in writing of the Vendor, enters upon the Property and carries out changes or additions to the Dwelling (the "Unlawful Works") being constructed by the Vendor, the Purchaser will forthwith pay to the Vendor the amount incurred by it in order to correct any damages caused by the installation or existence of the Unlawful Works including, without limiting the generality of the foregoing, time lost by the resulting delays and interest on monies invested, and at the Vendor's option it may declare this Agreement null and void. In addition to the foregoing, if the Unlawful Works shall be determined by any inspector having jurisdiction in that regard as not complying with the statutes, by-laws or regulations applying thereto, the Purchaser shall forthwith carry out any required work to remedy any such non-compliance and failing which, the Vendor, at its option may carry out such work at the expense of the Purchaser which he shall pay to the Vendor forthwith upon written request for payment for same and/or at the option of the Vendor, it may declare this Agreement null and void. The Purchaser agrees that anything constructed by the Vendor which is not accessible due to the Unlawful Works shall not be covered under the Warranty Act's warranties. The Purchaser shall not enter upon the Property at any time without the consent in writing of the Vendor or accompanied by a representative of the Vendor. In respect of any entry with the Vendor's prior written consent, the Purchaser agrees to comply with all regulations under the Occupational Health & Safety Act, including the wearing of head and foot protection and such other safety apparel as designated by the Vendor. The Purchaser further agrees to indemnify the Vendor against any damages, losses and fines incurred as a result of non-compliance with this provision by the Purchaser;
- b) If the Vendor elects the option as set forth above to declare the Agreement null and void, then the Vendor shall be entitled to retain the Purchaser's deposit paid and the value of the Unlawful Works. The parties agree that the damages which may be suffered by the Vendor as a result of the Unlawful Works cannot be assessed monetarily and the retention of the deposit and Unlawful Works, shall be deemed to be liquidated damages and not a penalty. **THE PURCHASER ACKNOWLEDGES THAT THE UNLAWFUL WORKS SHALL NOT BE COVERED UNDER THE WARRANTY ACT'S WARRANTIES;**
- c) The Purchaser covenants and agrees that it will not be entitled nor permitted to enter upon the Property prior to the Closing to supply any material and/or to perform any work or labour to or on the Dwelling or Property respectively. The Purchaser further covenants and agrees that the Vendor will not contract for the supply and installation of extras to the Dwelling to be constructed other than by way of written contract on a specific form supplied by the Vendor for that purpose within fourteen (14) days of the acceptance of this Agreement.

12. Contract

The deposit monies are expressly deemed to be deposit monies only, and not partial payments. Default in payment of any amounts payable pursuant to this Agreement on the date or within the time specified, shall constitute substantial default hereunder, and the Vendor shall have the right to terminate this Agreement and forfeit all deposit monies in full as liquidated damages and not as a penalty. Without prejudice to the Vendor's rights as to forfeiture of deposit monies as aforesaid, and in addition thereto, the Vendor shall have the right to recover from the Purchaser any monies owing to the Vendor pursuant to this Agreement and not paid to the Vendor in accordance with the terms hereof and/or all additional costs, losses and damages arising out of default on the part of the Purchaser pursuant to any provision contained in this Agreement, including interest thereon from the date of demand for payment at the rate of 12% per annum, calculated daily, not in advance, until paid. In the event this Agreement, in future, is amended in order to accelerate the Closing of the transaction or to change or alter the construction specifications of the Dwelling by giving the Purchaser a credit or reduction against the Purchase Price and the Purchaser fails to complete the transaction, all damages shall be assessed as if such amendment was not entered

into. In the event any one or more of the provisions of this Agreement or any portion or portions thereof are invalid or unenforceable, the same shall be deemed to be deleted herefrom and shall not be deemed to affect the enforceability or validity of the balance of this Agreement. The Purchaser, if required by the Vendor, shall execute and deliver on Closing one or more covenants incorporating the terms hereof. There is no representation, warranty, collateral Agreement or condition affecting this Agreement or the Property, or supported hereby, except as set forth herein in writing. In the event there is a conflict between any term(s) in this Agreement, the Vendor shall determine which conflicting term(s) prevail(s). The Purchaser acknowledges and agrees that the covenants and obligations of the Vendor contained in this Agreement shall be those of the Vendor only and should the Vendor represent or act as trustee or agent on behalf of a beneficiary or principal (whether disclosed or undisclosed) in executing this Agreement, such beneficiary or principal shall have no liability under this Agreement, such liability being restricted to the Vendor only. All buildings and equipment shall be and remain at the Vendor's risk until Closing. In the event of any damage to the Dwelling, however caused, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage on the Dwelling. Deed to be prepared at Vendor's expense, and shall be executed by the Purchaser if required by the Vendor and shall be registered forthwith on Closing at the Purchaser's expense. The Purchaser shall pay the Vendor's solicitor's fees in the amount of \$500 (plus Applicable Taxes and disbursements) for each letter or other form of notice sent to the Purchaser or the Purchaser's solicitor relating to any default by the Purchaser.

13. Colour and Material Selection

- a) Wherever in this Agreement the Purchaser has the right to choose colours or materials, Purchaser shall do so within seven (7) days after notification by the Vendor and the Purchaser shall make his selection of such colours and/or materials, whatever the case may be, from the Vendor's samples at the Vendor's sales office for the subject project (or such other location that may apply from time to time) and list same on the Vendor's colour selection form;
- b) If the Purchaser has made a choice of colours and/or materials from the Vendor's samples and because of lack of supply or other reasons the installation of such colour choice and material cannot be completed in accordance with the Vendor's construction schedule, then the Purchaser shall make a substitute selection from available colours and/or materials within 7 days of notification from the Vendor. The Purchaser hereby agrees that if the Purchaser fails to make a substitute selection within the aforementioned time period, then the Vendor shall have the right to make such selection on the Purchaser's behalf and the Purchaser covenants to accept the selection so made by the Vendor, provided it is of equal or better quality than that made by the Purchaser;
- c) In the event that by the Closing Date the installation of the selected colours and upgraded materials to be performed by the Vendor or its subtrade(s) has not been completed, and as a result thereof the Dwelling has not been completed, then the Purchaser shall, notwithstanding such incomplete work, complete the transaction on the Closing Date and shall pay the full amount required to be paid on Closing in accordance with this Agreement, notwithstanding that an occupancy permit may not be available as a result thereof;
- d) If the Purchaser has not made his selection within ten (10) days after notification by the Vendor or an extended date acceptable to the Vendor, then the Vendor shall have the option of choosing the colours and materials based upon the Vendor's/Subdivider's standard builder features for and on behalf of the Purchaser and the Purchaser agrees to accept same;
- e) Where omissions occur on the original colour selection sheet, the Purchaser acknowledges that selection by the Vendor from the Vendor's/Subdivider's standard builder features will be final and binding;
- f) Upgrades listed on a standard colour chart and exterior colour selections will not be deemed to be part of the Agreement;
- g) The Purchaser agrees that if, after having made the original colour selections the Purchaser does make a change erroneously or otherwise, he will be deemed responsible for all errors resulting from any double selections;
- h) The Purchaser further agrees that if the Vendor has preselected colours prior to the purchase herein of the Property, then the prescribed colours shall be final notwithstanding that the Purchaser may have completed a colour selection/chart;
- i) If any of the terms and conditions stated on the Purchaser's Request for Extras Contract (the "Purchaser's Extras Contract") are in conflict or contradiction of any terms or conditions stated in this Agreement, then it is hereby agreed that the terms and conditions stated on the Purchaser's Extras Contract shall take precedence over

the terms and conditions of this Agreement provided such provisions do not conflict with the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto, in which case the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto shall be read to form part of the Purchaser's Extras Contract in the place and stead of the conflicting or contradictory provisions thereof. Without limiting the foregoing, the Vendor and Purchaser agree that the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto shall prevail over any provision contained in this agreement, in any amendment to this agreement or in any other document between the Vendor and Purchaser in relation hereto that derogates from, conflicts with or is inconsistent with the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto.

14. Model Homes

- a) The Purchaser acknowledges that he has purchased the Dwelling on the basis of plans appended to this Agreement and not from a model, vignette or sales office samples. The Purchaser acknowledges that the model homes, if any, may have items installed for decor, sales and marketing purposes only and such items are not limited to, upgraded flooring materials, ceramic tile, hardwood, carpet, paint, kitchen cabinets, countertops, lighting and fixtures, driveways, walkways, railings and pickets, skylights, entry doors, interior doors, paneling, wallpaper, window treatment, drapes, curtains, plumbing supplies, intercom systems, alarm systems, appliances, landscaping, underground sprinkler systems, underground lighting, decks and finished basements (collectively the "Decor Items"). The Purchaser acknowledges and agrees that the Decor Items will not be included in the Purchase Price and that Agreement will consist of only those items listed on Schedule "B" annexed hereto;
- b) Notwithstanding anything herein written, if at the time that this Agreement is executed, the dwelling constructed on the Real Property has already been substantially completed, the Purchaser shall purchase the Real Property in an "as built" condition rather than in accordance with any other representations herein contained;
- c) If the Dwelling has been used as a model or show home, then the Purchaser acknowledges that the Dwelling has been used extensively as a "Model" or "Show" home and, as such, has been subjected to the normal wear and tear associated with that purpose. Unless otherwise specifically agreed in writing, no refinishing shall be done by the Vendor on the Dwelling and the Purchaser agrees to accept the Dwelling on closing on an "as-is" basis. For the purposes of clarity only, and without restricting the generality of the foregoing, the Purchaser hereby waives any claim in respect of scratched floors, counters or plumbing fixtures, and sun-faded paint and stain colours.

15. HST

The Purchaser and Vendor agree that the harmonized sales tax (the "HST") applies to this transaction and the Purchase Price includes the HST, net of the federal and Ontario new housing rebates or the like (collectively the "Rebate"). The Purchaser shall assign in a form required by the Vendor and/or by any of the Government of Canada, Government of Ontario and/or any other governmental and/or tax authority (collectively, the "Government") to the Vendor all of its right, title and interest in the Rebate to which the Purchaser is entitled. In connection with such assignment, the Purchaser shall deliver to the Vendor, upon request by the Vendor, on or after the Closing Date, such application, documents and affidavits as may be required by the Vendor and/or the Government to establish the Purchaser's entitlement to the Rebate. If the Purchaser is not entitled to the Rebate for any reason whatsoever or if the Rebate is reduced or withdrawn by the Government and not replaced with an amount equivalent to the amount of the Rebate to which the Purchaser is entitled by the Government or if the Rebate is not or cannot be assigned to the Vendor or the Rebate is claimed and payment/credit of the Rebate to the Vendor is denied by the Government then, the Purchaser shall forthwith upon demand by the Vendor pay to the Vendor an amount equal to the Rebate or the amount so reduced or withdrawn and until so paid, the amount of the Rebate shall form a charge against the Property which charge shall be recoverable by the Vendor in the same manner as a mortgage in default. If the Vendor does not receive the full benefit of the Rebate for any reason whatsoever, whether or not as a result of the Purchaser's acts or omissions, the Purchaser shall indemnify and save the Vendor harmless in the amount that the Vendor would have been entitled to had such Rebate been received, together with all interest and penalties thereon, and all losses, costs, damages and liabilities which the Vendor may suffer, incur or be charged with in connection therewith, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor), which indemnity shall survive the Closing Date. Notwithstanding anything herein contained to the contrary, the Vendor shall have the right to register a Vendor's Lien for the amount of the Rebate against the Property following the Closing Date to secure the Vendor's entitlement to the Rebate as herein provided. The Purchaser acknowledges and agrees that the Purchaser shall not be entitled to any refund, credit or abatement in any manner whatsoever should the HST, or any portion thereof, not apply to this

transaction for any reason whatsoever. The HST that is included in the Purchase Price is based on the federal portion and the provincial portion of the HST at the rates of 5% and 8%, respectively. If either or both of the rates increase, the Purchaser shall be responsible for the increase and shall pay same as an adjustment on the Closing Date, and if either or both of the rates decrease, the Purchaser shall not be entitled to any abatement or reduction of the Purchase Price. Notwithstanding that the Purchase Price is inclusive of the HST net of the Rebate as aforesaid, the Purchaser, shall, at the Purchaser's own cost and expense, be responsible for the payment of the HST and all other taxes, value added taxes, sales taxes, use taxes or transfer taxes and any increases thereof which may be applicable (collectively the "Applicable Taxes") on all closing adjustments and amounts payable for extras, changes, upgrades, fees and charges.

If the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date, then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), as an adjustment on the Closing, an amount equivalent to the Rebate, in addition to the Purchase Price. In those circumstances where the Purchaser maintains that he or she is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to file the rebate form directly with (and pursue the procurement of the Rebate directly from) the Canada Revenue Agency.

The Purchaser acknowledges and agrees for any matter related to HST that is applicable to this transaction, including without limiting the generality of the foregoing, the Rebate, the Vendor (or any party or parties comprising the Vendor, if applicable) or any other party as may be designated by the Vendor may be a party to such of the HST documentation as may be required by the Vendor under this Agreement, and the Purchaser acknowledges and agrees to assign the Rebate to the Vendor, Subdivider or such party designated by the Vendor.

16. Agreement Conditional

This Agreement and the transaction contemplated herein are conditional upon compliance with the provisions of the Planning Act of Ontario, and any amendments thereto at the Vendor's expense.

17. Agreement Not To Be Registered

The Purchaser acknowledges this Agreement confers a personal right only and not any interest in the Property and that the registration against title to the Property of any notice or caution or other reference to this Agreement or his or her interest is likely to cause inconvenience and prejudice or irreparable harm to the Vendor and other purchasers of dwellings within the Subdivision. If any such registration occurs, the Vendor may terminate this Agreement forthwith and take full forfeiture of the Purchaser's deposits as liquidated damages and not as a penalty. Further, the Purchaser hereby irrevocably consents to a court order removing such registration and agrees to pay all Vendor's costs and expenses in obtaining such court order including, but not limited to, fees of its solicitors on a full indemnity basis together with any Applicable Taxes thereon. Additionally, the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as his lawful attorney in the Purchaser's name, place and stead, without liability or claim, for the purpose of removing any such registration from title.

18. Tender

Any tender of documents or money may be made by the Vendor upon the Purchaser hereto or upon the respective solicitor, will be deemed to be good and valid if made in accordance with the provisions of paragraph herein headed "ELECTRONIC REGISTRATION". The Vendor shall not be required to register any discharge of any outstanding mortgage, charge or other encumbrance not being assumed by the Purchaser on the Closing Date, in order to validate or perfect the Vendor's tender upon the Purchaser, and need only make arrangements to discharge same in accordance with the provisions of paragraph headed "TITLE" herein in the event that the Purchaser completes this transaction. The parties agree that payment of monies must be made or tendered in such form and by such method as may be directed in writing by the Vendor, in its sole, absolute and unfettered discretion. Unless otherwise directed, in accordance with the foregoing, payment shall be made by way of the Purchaser's solicitor's certified cheque drawn on a Schedule "1" Canadian Chartered bank. The Purchaser further acknowledges and agrees that the Vendor shall not be required to provide any key(s) as part of any tender made by it and that this Agreement provides for the release of keys following the Closing.

19. Extension and Termination

- a) The Purchaser acknowledges that the Closing Date as described in this Agreement may be extended in accordance with the Warranty Act and the Tarion Addendum and Statement of Critical Dates;
- b) Forthwith upon any termination of this Agreement the Purchaser shall execute and deliver to the Vendor the form of Mutual Release and Termination Agreement that may be required by the Vendor and/or Tarion in the circumstances of such termination;
- c) The Vendor shall have the option, in its sole, absolute and unfettered discretion, to extend the Firm Closing Date or Delayed Closing Date (as set out in the Tarion Addendum and Statement of Critical Dates hereof), as the case may be, for one business day to avoid the necessity of tender where the Purchaser is not ready to complete the transaction on either of such dates;
- d) The Vendor shall have a one-time unilateral right, at its sole, absolute and unfettered discretion, to extend the Firm Closing Date or Delayed Closing Date (as set out in the Tarion Addendum and Statement of Critical Dates appended hereto), as the case may be, for 1 Business Day to avoid the necessity of tender where a Purchaser is not ready to Close on the Firm Closing Date or Delayed Closing Date, as the case may be.

20. Agreement not to Merge with Transfer

All of the covenants, warranties and obligations contained in this Agreement to be performed by the Purchaser shall survive the closing of this transaction and shall remain in full force and effect notwithstanding the transfer of title to the Property to the Purchaser. It is provided that in the event of a breach of any covenant, warranty or obligation contained in this Agreement to be performed by the Purchaser, the Vendor shall be entitled, at its option, to declare this Agreement null and void and to retain all amounts paid by the Purchaser without prejudice to any other rights of the Vendor arising from that breach.

21. Waiver

No provision of this Agreement may be waived by either party except in writing. The waiver of any of the provisions hereunder shall not affect the right of either party to enforce all other provisions not so waived.

The Purchaser acknowledges and agrees that in the event that the Vendor has entered this Agreement as a trustee or agent for and on behalf of an undisclosed beneficiary or principal, whether or not so stated herein, there shall be no liability on such undisclosed beneficiary or principal and the only recourse or remedy that the Purchaser shall have on default by the Vendor herein is against the Vendor and the Property, the Purchaser hereby waiving any rights of recovery or recourse against such beneficiary or principal whether in law, equity or otherwise.

22. Subordination and Assignment of Agreement

The Purchaser agrees that this Agreement shall be fully subordinate to and postponed to any mortgages arranged or to be arranged by the Vendor and any advances thereunder from time to time, and to any easement, service agreement and other similar agreements made by the Vendor concerning the property or lands. The Purchaser agrees to do all acts necessary and execute and deliver all necessary documents as may be reasonably required by the Vendor without delay from time to time to give effect to this undertaking and in this regard the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as his lawful attorney in the Purchaser's name, place and stead for the purpose of signing all documents and doing all things necessary to implement this provision. The Vendor may assign this Agreement and its covenants and obligations herein to a third party including any lender (eg. a chartered bank, trust company or other lending entity), provided following such assignment, the Vendor shall notify the Purchaser of such assignment. Such assignment shall be in a form prescribed or approved by the Vendor and may provide that the Vendor is released of its obligations under this Agreement following such assignment to a third party other than the Vendor's lender. As it relates to an assignment of this Agreement to a lender as aforesaid the lender's liability shall be limited as provided for in the assignment.

23. Execution and Acceptance

This Agreement may be executed by the Vendor and the Purchaser by way of electronic signatures pursuant to the provisions of the *Electronic Commerce Act, 2000* (Ontario) as amended (or any successor or similar legislation) (the "EC Act"). This offer by the Purchaser when accepted by the Vendor shall constitute a binding agreement of purchase and sale, subject to any conditions herein, without requiring notice of such acceptance to be delivered to the Purchaser prior to such time. Without limiting the generality of the foregoing, execution and acceptance of this offer (or any counter offer with respect thereto) may be made by way of electronic signature and delivered by telefax transmission, pdf electronic mail or similar electronic transmission, and such offer and/or acceptance shall be deemed to have been effected or made when such signed Agreement (electronic or otherwise) is telefaxed, emailed or sent electronically to the intended party, and the parties irrevocably acknowledge and

agree that such telefaxed, emailed or electronic transmission of the Agreement shall be binding upon the parties to the same extent as if originally signed.

24. Time of the Essence

Time shall in all respects be strictly of the essence in this Agreement and no extension of time for any payment by the Purchaser or rectification of any breach of any agreement, stipulations, condition or restriction shall operate as a waiver of this provision with respect to any other payment or rectification of any other breach, except as specifically agreed upon in writing by the Vendor or the Purchaser, as the case may be.

25. Preparation and Cost of Registering Documents

The Transfer is to be prepared by the Vendor on the Vendor's standard form. If required by the Vendor, the deed may contain covenants on the part of the Purchaser to comply with the stipulations set out herein, and is to be executed by the Purchaser. Any discharges of underlying mortgages (collectively, the "Discharges") shall be prepared by the Vendor on the Vendor's standard form; the Discharges to be at the expense of the Purchaser, being a fee of \$150 plus Applicable Taxes in total, irrespective of the number of Discharges required. The Purchaser shall pay the cost for registration and any exigible taxes on the registration of the Transfer and Discharges. The Purchaser agrees to provide a statutory declaration on or before closing confirming that there are no judgments outstanding against him and the Purchaser agrees to provide reasonable evidence confirming same, including a creditor's letter if necessary, if requested by the Vendor, if there is any judgment filed against a person with the same or similar name. That statutory declaration shall also include the birth date and social insurance number of the Purchaser. In the event that the electronic document registration system is operative in the relevant Land Registry Office in which the Property is situate, at the Vendor's discretion the Purchaser shall enter into the Vendor's form of escrow closing agreement which shall include provisions relating to the delivery of funds and keys and the exchange, delivery and registration of documentation.

26. Severability

If any provision of this Agreement is determined by a court of competent jurisdiction to be illegal or invalid, or beyond the powers or capacity of the parties hereto, then provided such provision is not, in the Vendor's sole opinion, essential or fundamental to the completion of this transaction, such provision shall be deemed and construed to be severed and deleted from this Agreement, and the remainder of this Agreement shall continue in full force and effect.

27. Notice

- a) Save and except for any notices to be provided pursuant to the Tarion Addendum and Statement of Critical Dates, any notice desired or required to be given to the Purchaser shall be in writing, and either delivered personally or by prepaid mail, addressed to the Purchaser's solicitor or to the Purchaser at the address as provided on the front page of this Agreement or in the Tarion Addendum and Statement of Critical Dates, or telefaxed to the Purchaser's solicitor or the Purchaser's telefax number as provided in the Tarion Addendum and Statement of Critical Dates, or electronically mailed to either the Purchaser at the address contained in the Tarion Addendum and Statement of Critical Dates or to the Purchaser's solicitor, with all such address and contact information set out on the front page of this Agreement or in the Tarion Addendum and Statement of Critical Dates being subject to other or updated information that may be provided to the Vendor from time to time or otherwise in accordance with this Agreement. If such notice is mailed, it shall be deemed to have been received by the Purchaser on the day (excluding Saturdays, Sundays and statutory holidays) following the date of its mailing, and if such notice is personally delivered, same shall be deemed to have been received on the date of such personal delivery, and if telefaxed, same shall be deemed to have been received on the day (excluding Saturdays, Sundays and statutory holidays) following the transmission of the telefax, and if electronically mailed, same shall be deemed to have been received on the day (excluding Saturdays, Sundays and statutory holidays) following the date of its electronic mailing;
- b) Save and except for any notices to be provided pursuant to the Tarion Addendum and Statement of Critical Dates, any notice desired or required to be given to the Vendor shall be in writing, and either delivered personally or by prepaid mail, addressed to the Vendor's solicitor at the address noted herein and to the Vendor, or telefaxed to the Vendor's solicitor. - c) The Purchaser acknowledges and agrees that upon entering into this Agreement, he/she shall provide in the Tarion Addendum and Statement of Critical Dates the Purchaser's electronic mail address, and forthwith upon request by the Vendor the Purchaser's solicitor's electronic mail address;

- d) The Purchaser shall advise the Vendor of any changes in any of its mailing address, telephone number or electronic mail address or of its solicitors forthwith upon such change, failing which the Purchaser shall be charged a fee of \$250 plus Applicable Taxes on the Statement of Adjustments;
- e) The Purchaser covenants to forthwith and without delay retrieve, collect, receive and read all notices sent to the Purchaser by the Vendor or the Vendor's solicitor.

Provided that during periods of postal interruption or impending postal interruption, notice may not be sent by mail and must be sent by personal delivery, telefax or electronic mail in accordance with sub-paragraphs (a) and (b) above.

28. Contract Under Seal

The Purchaser acknowledges and agrees that notwithstanding any rights which the Purchaser might have at law or in equity arising of this Agreement, the Purchaser shall not assert any of such rights, nor have any claim or cause of action as a result of any matter or thing arising under or in connection with this Agreement against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be found to be a nominee, agent or representative or another person, firm, corporation or other legal entity, and this acknowledgement and agreement may be pleaded as estoppel and bar against the Purchaser in any action or proceeding brought by the Purchaser to assert any of such rights, claims or causes of action. Furthermore, the Purchaser and the Vendor acknowledge and agree that this Agreement shall be deemed to be a contract under seal. IN ADDITION, THE PURCHASER ACKNOWLEDGES AND AGREES THAT THE OFFER TO ENTER INTO THIS AGREEMENT CONSTITUTES AN OFFER "UNDER SEAL" AND, AS SUCH, IS IRREVOCABLE IN ACCORDANCE WITH ITS TERMS.

29. Gender and Number

This Offer and its acceptance are to be read with all changes of gender and number as may be required by the context.

30. Successors and Assigns

Except as expressly herein provided, the parties hereto further agree that the covenants, agreements, provisos and conditions in this Agreement contained shall extend to and be binding upon and enure to the benefit of the parties hereto, and their respective heirs, executors, administrators, successors and permitted assigns.

31. Power of Attorney

- a) In accordance with the provisions of the Powers of Attorney Act R.S.O. 1990, as amended, the Purchaser hereby confirms and agrees that each and every power of attorney granted to the Vendor or its signing officers in accordance with the terms of this Agreement may be exercised by the donee(s) during any subsequent legal incapacity of the Purchaser;
- b) If any documents, instruments, etc. required to be executed and delivered by the Purchaser to the Vendor are, in fact, executed by a third party appointed as the attorney for the Purchaser, then the power of attorney appointing such person shall be registered in the Land Titles Office for the Property, and a duplicate registered copy thereof (together with a statutory declaration sworn by the attorney or the Purchaser's solicitor confirming that said power of attorney has not been revoked) shall be delivered to the Vendor along with such documents;
- c) Where a third party has been appointed as the attorney for the Purchaser for the purposes of executing any documents contemplated by this Agreement, then any notices required or desired to be delivered to the Purchaser in accordance with this Agreement may be given to the said attorney, in lieu of the Purchaser or the Purchaser's solicitor (and shall be deemed to have been received by the Purchaser when so delivered to his or her attorney);
- d) Where the Purchaser is required to execute and deliver any document herein to the Vendor and fails to do so, the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor/Subdivider to be and act as his lawful attorney, in the Purchaser's name, place and stead, in order to execute any such documents in accordance with the provisions of the *Powers of Attorney Act* (Ontario) as amended from time to time.

32. Electronic Documents and Transfer of Funds

- a) Pursuant to subsection 3(1) of the EC Act: (i) the Purchaser acknowledges and agrees to use and accept any information and/or document to be provided by the Vendor/Subdivider and/or its solicitors in respect of this transaction, including without limitation, this Agreement, in an electronic form if, when and in the form provided by the Vendor/Subdivider and/or its solicitors including, without limitation, accepting and providing electronic signatures, delivery by electronic mail and/or by the Vendor/Subdivider making information or documentation available to the Purchaser or its solicitor for access or download from a website; and (ii) the Purchaser acknowledges and agrees to provide to the Vendor/Subdivider and/or its solicitors any information and/or document required in respect of this transaction in an electronic

form or in originally executed paper form as, when and in the form required by the Vendor/Subdivider and/or its solicitors, in their sole, absolute and unfettered discretion. The terms "electronic", "electronically" and "electronic signature" utilized in this Agreement shall have the meanings ascribed to them in the EC Act. In the event that the Purchaser and/or its solicitor is not willing or able to use, provide and/or accept information and documentation in electronic form in accordance with the foregoing, the Vendor/Subdivider in its sole, absolute and unfettered discretion may provide or accept documentation or information other than in electronic form, in which event the Purchaser agrees to pay all of the Vendor's solicitor legal fees and disbursements for same forthwith;

- b) The Purchaser acknowledges and agrees that the Vendor shall determine, in its sole, absolute and unfettered discretion, the method by which the Purchaser is to make payment of any funds payable by the Purchaser in respect of this transaction. Such method may include, at the option of the Vendor, delivery of funds by the Purchaser electronically through an electronic funds transfer system (the "EFTS") designated by the Vendor or the Vendor's Solicitors, including, without limitation, the Closure Service provided by Teranet Inc. In such case:

The Purchaser hereby acknowledges and agrees that due to grading conditions a deck may be required to provide access to the rear and/or side yards of the Dwelling exterior.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you by your builder and backed by Tarion. For more detailed information visit tarion.com and log into our online learning hub at www.tarion.com/learninghub

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Continued...

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

Important Next Steps

1. Visit Tarion's website to learn more about your warranty coverage and the process for getting warranty assistance, as well as your rights, responsibilities, and obligations as a new homeowner.

 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.

- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met.  - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. Yes No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

**Freehold Form
(Tentative Closing Date)**

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20 _____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20 _____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

Freehold Form (Tentative Closing Date)

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.
