Plus, ask how you can save on a wireless plan.

Offers available for a limited time to eligible new customers where access/technology permits, subject to change without notice. Offer end dates vary by address/occupancy date and are subject to board approval. Offers are subject to the terms of your building's bulk agreement with Rogers including providing name with purchaser first name, last name and municipal address for offer redemption. Offer end dates vary by address/occupancy date and are subject to board approval. Data usage subject to Rogers Terms of Service and Acceptable Use Policy (see rogers.com/terms). ¹ In month 13, the then current monthly price will apply, currently \$124.99/mo, subject to rate increase. Taxes extra. ² Assuming optimal network, equipment and customer device conditions. For Ignite Internet Gigabit or Gigabit 1.5 delivered using the Ignite WiFi Gateway (Gen 2) modem an Ethernet/wired connection and at least one additional wired or wireless connection is required to reach total maximum download or upload speeds. See Acceptable Use Policy at rogers.com/terms. ³ See rogers.com/about-advanced-security. *This is a special rate for this service under a bulk arrangement between Rogers and your builder. If the bulk arrangement ends, this service will be cancelled. At that time, you may choose to subscribe to services with Rogers at then-current rates, subject to any applicable rate increases. Discount applies to monthly service fee for core services only. Additional optional add-ons and pay-per-use rates are not included with the offer.
