

A signature community

Insoho has planned an extraordinary community at the sought-after location of Markham Road south of Lawrence. A stroll through Inspire Towns will take you along sidewalks and streets lined with mature leafy trees. You'll delight in Inspire's strikingly modern streetscape. Insoho has added so many contemporary architectural details to Inspire's forty two townhomes including large bays that provide lots of natural light. Landscaping in front of the homes adds to street appeal. Outdoor spaces abound, from private rooftop decks on back-to-back models to backyards for traditional towns. There's even a public parkette. Homeowners enjoy garages or underground parking. Visitor parking is available as well. Of course, once you leave home, you're walking and biking distance from so many amenities, a large park, shopping, schools, transit and short driving distances from many more. It's time to be Inspired!

Inspired site plan
